Dear Stockholder:

You are cordially invited to attend the 2025 Special Meeting of Stockholders of StableX Technologies, Inc. to be held at 10:00 a.m., New York time, on October 3, 2025. The special meeting will be conducted in a virtual format only via live webcast at www.virtualshareholdermeeting.com/SBLX2025SM.

We have decided to hold this special meeting virtually via live webcast on the internet because hosting a virtual special meeting enables greater stockholder attendance and participation from any location around the world, improves meeting efficiency and our ability to communicate effectively with our stockholders, and reduces the cost and environmental impact of the special meeting. You will be able to vote and submit questions electronically prior to the special meeting by visiting www.proxyvote.com, and during the special meeting by visiting www.virtualshareholdermeeting.com/SBLX2025SM. Specific instructions for accessing the meeting are provided in the enclosed Notice of Special Meeting of Stockholders and proxy card or voting instruction form you received. If you encounter any difficulties accessing the virtual special meeting, please call the technical support number available on the virtual meeting page on the morning of the special meeting.

Your vote is very important. Whether or not you expect to be present at the special meeting, please vote as promptly as possible to ensure your representation and the presence of a quorum at the special meeting. As an alternative to voting during the special meeting, you may vote online, by phone or by mail by following the instructions on the enclosed proxy card. Voting online, by phone or by written proxy ensures your representation at the special meeting regardless of whether you attend the virtual meeting. If your shares are held in the name of a broker, trust, bank or other nominee, and you receive these materials through your broker or through another intermediary, please complete and return the materials in accordance with the instructions provided to you by such broker or other intermediary or contact your broker directly in order to obtain a proxy issued to you by your nominee holder to attend the special meeting and vote. Failure to do so may result in your shares not being eligible to be voted by proxy at the special meeting. On behalf of the Board, I urge you to submit your proxy as soon as possible, even if you currently plan to attend the meeting virtually.

If you have any questions or need assistance with voting, please contact Joshua Silverman, our Chief Executive Officer, at 512-994-4917.

If you plan to virtually attend the special meeting, you will need the 16-digit control number on the enclosed proxy card or on the instructions that accompany your proxy materials. The special meeting will begin promptly at 10:00 a.m., New York time. Online check-in will begin at 9:45 a.m., New York time, and you should allow ample time for the online check-in procedures.

Thank you for your support of our company. I look forward to seeing you at the special meeting.

Sincerely,

Joshua Silverman

**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
To Be Held October 3, 2025**

The 2025 Special Meeting of Stockholders (the “Special Meeting”) of StableX Technologies, Inc., a Delaware corporation (the “Company”), will be held at 10:00 a.m., New York time, on October 3, 2025, virtually only via live webcast over the Internet at www.virtualshareholdermeeting.com/SBLX2025SM. We will consider and act on the following items of business at the Special Meeting:

- (1). A proposal to authorize, for purposes of complying with Nasdaq Listing Rule 5635(d), the issuance of shares of our common stock, par value \$0.0001 per share (the “Common Stock”) underlying shares of Series I convertible preferred stock, par value \$0.0001 per share (the “Series I Preferred Stock”) and warrants (the “Warrants”) issued by us (i) to investors in the offering, pursuant to the terms of that certain Securities Purchase Agreement, dated as of August 4, 2025, by and among the Company and the investors named therein and (ii) to GP Nurmenkari Inc. (“GPN”) Palladium Capital Group, LLC (“Palladium,” and together with GPN, the “Placement Agents”) as placement agents for the offering, pursuant to respective engagement letters between the Company and the Placement Agents, in an amount equal to or in excess of 20% of our Common Stock outstanding immediately prior to the issuance of such Series I Preferred Stock and Warrants (including any issuance of shares of Common Stock upon the operation of anti-dilution provisions applicable to such Series I Preferred Stock and Warrants in accordance with their terms) (the “Issuance Proposal”);
- (2). Approval of the Fourth Amendment to the StableX Technologies, Inc. Long-Term Incentive Plan, as amended, to increase the total number of shares of the Company’s common stock, par value \$0.0001 per share (“Common Stock”), authorized for issuance under such plan by 135,627, to a total of 400,000 shares (the “Incentive Plan Amendment Proposal”); and
- (3). Approval of a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of any one or more of the foregoing proposals (the “Adjournment Proposal”).

Stockholders are referred to the Proxy Statement accompanying this Notice of Special Meeting of Stockholders for more detailed information with respect to the matters to be considered at the Special Meeting. After careful consideration, the Board recommends a vote “**FOR**” the Issuance Proposal, “**FOR**” the Incentive Plan Amendment Proposal and “**FOR**” the Adjournment Proposal.

We have decided to hold the Special Meeting virtually via live webcast on the internet because hosting the Special Meeting virtually enables greater stockholder attendance and participation from any location around the world, improves meeting efficiency and our ability to communicate effectively with our stockholders and reduces the cost and environmental impact of the Special Meeting. Stockholders will not be able to attend the Special Meeting in person; however, stockholders of record will be able to vote and submit questions electronically prior to the Special Meeting by visiting www.proxyvote.com, and during the Special Meeting by visiting www.virtualshareholdermeeting.com/SBLX2025SM, and entering the 16-digit control number included on the enclosed proxy card or on the instructions that accompany your proxy materials. Specific instructions for accessing the Special Meeting are provided in the enclosed Notice of Special Meeting of Stockholders and proxy card or voting instruction form you received.

The Board has fixed the close of business on September 5, 2025, as the record date for the Special Meeting (the “Record Date”). Only holders of record at the close of business on the Record Date of shares of our Common Stock, our Series H-6 Convertible Preferred Stock, par value \$0.0001 per share (“Series H-6 Preferred Stock”), our Series H-7 Convertible Preferred Stock, par value \$0.0001 per share (“Series H-7 Preferred Stock”) and our Series I Preferred Stock are entitled to receive notice of the Special Meeting. A complete list of registered stockholders entitled to vote at the Special Meeting will be available for inspection at the office of the Company during regular business hours for the 10 calendar days prior to and during the Special Meeting. A complete list of registered stockholders entitled to vote at the Special Meeting will also be available for viewing during the Special Meeting by visiting www.virtualshareholdermeeting.com/SBLX2025SM. Stockholders will be also able to submit questions during the Special Meeting.

You can vote virtually during the Special Meeting by use of a proxy card if you receive a printed copy of our proxy materials, or via the Internet or telephone as indicated on the proxy card. If you hold shares of Common Stock, Series H-6 Preferred Stock, Series H-7 Preferred Stock or Series I Preferred Stock as the stockholder of record on the Record Date, then you have the right to vote those shares at the Special Meeting; provided that the holders of Series I Preferred Stock are not entitled to vote for the Issuance Proposal. If you are a beneficial owner and hold such shares in street name, then you can vote the shares you beneficially own through the online voting platform under a legal proxy from your bank, brokerage firm or other nominee and are not required to take any additional action to obtain a legal proxy. Please follow the instructions at www.virtualshareholdermeeting.com/SBLX2025SM in order to vote your shares during the Special Meeting, whether you hold your shares of record or in street name.

Whether or not you expect to attend the Special Meeting, we urge you to vote your shares as promptly as possible by Internet, telephone or mail so that your shares may be represented and voted at the Special Meeting.

ABOUT THE SPECIAL MEETING

What is a proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document is also called a “proxy” or a “proxy card.” If you are a street name holder, you must obtain a proxy from your broker or nominee in order to vote your shares during the Special Meeting.

What is a proxy statement?

A proxy statement is a document that regulations of the SEC require that we give to you when we ask you to sign a proxy card to vote your stock at the Special Meeting.

What is the purpose of the Special Meeting?

At our Special Meeting, stockholders will act upon the matters outlined in the Notice of Special Meeting of Stockholders, including the following:

- (1) A proposal to authorize, for purposes of complying with Nasdaq Listing Rule 5635(d), the issuance of shares of our common stock, par value \$0.0001 per share (the “Common Stock”) underlying shares of Series I convertible preferred stock, par value \$0.0001 per share (the “Series I Preferred Stock”) and warrants (the “Warrants”) issued by us (i) to investors in the offering, pursuant to the terms of that certain Securities Purchase Agreement, dated as of August 4, 2025, by and among the Company and the investors named therein and (ii) to GP Nurmenkari Inc. (“GPN”) Palladium Capital Group, LLC (“Palladium,” and together with GPN, the “Placement Agents”) as placement agents for the offering, pursuant to respective (engagement letters between the Company and the Placement Agents, in an amount equal to or in excess of 20% of our Common Stock outstanding immediately prior to the issuance of such Series I Preferred Stock and Warrants (including any issuance of shares of Common Stock upon the operation of anti-dilution provisions applicable to such Series I Preferred Stock and Warrants in accordance with their terms) (the “Issuance Proposal”);
- (2) Approval of the Fourth Amendment to the StableX Technologies, Inc. Long-Term Incentive Plan, as amended (the “Plan”), to increase the total number of shares of the Company’s Common Stock authorized for issuance under such Plan by 135,627, to a total of 400,000 shares (“Incentive Plan Amendment Proposal”);
- (3) Approval of a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of any one or more of the foregoing proposals (the “Adjournment Proposal”); and
- (4) Such other business as may properly come before the Special Meeting and any postponements thereof.

What is “householding” and how does it affect me?

With respect to eligible stockholders who share a single address, we may send only one copy of our proxy materials to that address unless we receive instructions to the contrary from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. Eligible stockholders of record receiving multiple copies of our proxy materials can request householding by contacting us in the same manner. Stockholders who own shares through a bank, broker or other nominee can request householding by contacting the nominee.

We hereby undertake to deliver promptly, upon written or oral request, a copy of the proxy materials to a stockholder at a shared address to which a single copy of the document was delivered. If you are a stockholder of record, you may obtain additional copies at the same address you share with other stockholders by contacting Broadridge Financial Solutions, Inc., either by calling (866) 540-7095, or by writing to Broadridge Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If you are a beneficial owner and hold your shares in a brokerage or custody account, you can request additional copies of the proxy materials at the same address you share with other stockholders or you can request householding by notifying your broker, bank or other nominee.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a stockholder of record and hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in “street name.” Please follow the separate voting instructions that you received for your shares held in each of your different accounts to ensure that all your shares are voted.

What is the Record Date and what does it mean?

The record date to determine the stockholders entitled to notice of and to vote at the Special Meeting is the close of business on September 5, 2025 (the “Record Date”). The Record Date is established by the Board as required by Delaware law. Only holders of record at the close of business on the Record Date of shares of Common Stock, Series H-6 Preferred Stock, Series H-7 Preferred Stock and Series I Preferred Stock are entitled to receive notice of the Special Meeting. Only holders of record at the close of business on the Record Date of shares of Common Stock, Series H-6 Preferred Stock, subject to the terms of the Certificate of Designations, Preferences and Rights of the Series H-6 Convertible Preferred Stock (“Series H-6 Preferred Stock Certificate of Designations”), Series H-7 Preferred Stock, subject to the terms of the Certificate of Designations of Preferences and Rights of the Series H-7 Convertible Preferred Stock (the “Series H-7 Preferred Stock Certificate of Designations”), and the Series I Convertible Preferred Stock (the “Series I Preferred Stock Certificate of Designations”), are entitled to vote, as a single class, at the Special Meeting or at any postponement(s) or adjournment(s) of the Special Meeting; provided that holders of shares of Series I Preferred Stock are not entitled to vote such shares on the Issuance Proposal.

On the Record Date, there were 888,978 shares of Common Stock issued and outstanding and entitled to vote on the proposals described in this Proxy Statement.

On the Record Date, 50 shares of Series H-6 Preferred Stock were issued and outstanding, and after application of the limitation on voting rights and the beneficial ownership limitation pursuant to the terms of the Series H-6 Preferred Stock as set forth in the Series H-6 Preferred Stock Certificate of Designations, holders of Series H-6 Preferred Stock are entitled to an aggregate of approximately 7 votes on the proposals described in this Proxy Statement.

On the Record Date, 2,919.96 shares of Series H-7 Preferred Stock were issued and outstanding, and after application of the limitation on voting rights and the beneficial ownership limitation pursuant to the terms of the Series H-7 Preferred Stock as set forth in the Series H-7 Preferred Stock Certificate of Designations, holders of Series H-7 Preferred Stock are entitled to an aggregate of approximately 31,908 votes on the proposals described in this Proxy Statement.

On the Record Date, 7,000 shares of Series I Preferred Stock were issued and outstanding, and after application of the limitation on voting rights and the beneficial ownership limitation pursuant to the terms of the Series I Preferred Stock as set forth in the Series I Preferred Stock Certificate of Designations, holders of Series I Preferred Stock are entitled to an aggregate of approximately 106,746 votes on the proposals described in this Proxy Statement (except for the Issuance Proposal, which such holders are not entitled to vote their shares of Series I Preferred Stock on).

See “*What are the voting rights of the stockholders?*” below.

Who is entitled to vote at the Special Meeting?

The holders of Common Stock, Series H-6 Preferred Stock, Series H-7 Preferred Stock and Series I Preferred Stock at the close of business on the Record Date are entitled to vote at the Special Meeting, voting together as a single class on all matters described in this Proxy Statement.

What are the voting rights of the stockholders?

Each holder of Common Stock is entitled to one vote per share of Common Stock on all matters to be acted upon at the Special Meeting. There is no cumulative voting.

Each holder of Series H-6 Preferred Stock is entitled to the number of votes equal to the number of whole shares of Common Stock into which the Series H-6 Preferred Stock beneficially owned by such holder is convertible as of the Record Date (subject to the 9.99% beneficial ownership limitations) on all matters presented to the stockholders, voting together with the holders of Common Stock as a single class; however, pursuant to the terms of the Series H-6 Preferred Stock as set forth in the Series H-6 Certificate of Designations, holders of Series H-6 Preferred Stock in no event shall be permitted to exercise a greater number of votes than such holders would have been entitled to cast if the Series H-6 Preferred Stock had immediately been converted into shares of Common Stock at a conversion price equal to \$499.20. Accordingly, each holder of Series H-6 Preferred Stock is entitled to exercise votes for approximately 0.15 shares for each share of Series H-6 Preferred Stock held. There is no cumulative voting.

Each holder of Series H-7 Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock underlying the Series H-7 Preferred Stock beneficially owned by such holder determined by dividing the stated value of \$1,000 by \$92.16 per share on all matters presented to the stockholders, voting together with the holders of Common Stock as a single class. Accordingly, each holder of Series H-7 Preferred Stock is entitled to exercise votes for approximately 10.85 shares for each share of Series H-7 Preferred Stock held. There is no cumulative voting.

Each holder of Series I Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock underlying the Series I Preferred Stock beneficially owned by such holder determined by dividing the stated value of \$1,000 by \$7.628 per share on all matters presented to the stockholders, voting together with the holders of Common Stock as a single class. Accordingly, each holder of Series I Preferred Stock is entitled to exercise votes for approximately 131 shares for each share of Series I Preferred Stock held. There is no cumulative voting.

What constitutes a quorum for the Special Meeting?

The holders of one-third of the voting power of the stock issued, outstanding and entitled to vote at the Special Meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of the stockholders. Votes of stockholders of record who are present at the Special Meeting by virtual attendance or by proxy, abstentions and broker non-votes are counted for purposes of determining whether a quorum exists. However, we do not expect there to be any broker non-votes at the Special Meeting because we believe that under applicable rules all proposals presented at the Special Meeting are considered non-routine matters as further described herein.

If a quorum is not present or represented at the Special Meeting, the stockholders entitled to vote at the Special Meeting, present in person or by proxy, or the chairperson of the Special Meeting (if any), may adjourn the Special Meeting from time to time without notice or other announcement until a quorum is present or represented.

What is the difference between a stockholder of record and a “street name” holder?

If your shares are registered directly in your name with Equiniti Trust Company LLC, our stock transfer agent, you are considered the stockholder of record with respect to those shares. The proxy materials have been sent directly to you by us.

If your shares are held in a stock brokerage account or by a bank or other nominee, the nominee is considered the record holder of those shares. You are considered the beneficial owner of these shares, and your shares are held in “street name.” The proxy materials have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions they included in the mailing or by following their instructions for voting by telephone or the Internet.

What is a broker non-vote?

Broker non-votes occur when shares are held indirectly through a broker, bank or other intermediary on behalf of a beneficial owner (referred to as held in “street name”) and the broker submits a proxy but does not vote for a matter because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary voting authority on the matter. Under the rules of the New York Stock Exchange that govern how brokers may vote shares for which they have not received voting instructions from the beneficial owner, brokers are permitted to exercise discretionary voting authority only on “routine” matters when voting instructions have not been timely received from a beneficial owner. We do not expect there to be any broker non-votes at the Special Meeting because we believe that under applicable rules all proposals presented at the Special Meeting are considered non-routine matters. Therefore, in the absence of specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to the Issuance Proposal, the Incentive Plan Amendment Proposal or the Adjournment Proposal. Accordingly, if you do not provide instructions, your shares will not be voted.

How do I vote my shares?

If you are a record holder, you may vote your voting securities at the Special Meeting in person virtually or by proxy. To vote in person virtually, you must be logged in and registered to virtually attend the Special Meeting and cast your vote before the announcement of the close of voting during the Special Meeting. To vote by proxy, you must do one of the following:

- **By Internet.** If you are a stockholder of record, you may submit your proxy by going to www.proxyvote.com and following the instructions provided on your proxy card. If your shares are held with a broker, you will need to go to the website provided on your voting instruction card. Have your proxy card or voting instruction card in hand when you access the voting website. On the Internet voting site, you can confirm that your instructions have been properly recorded. Internet voting for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on October 2, 2025.
- **By phone.** You can vote by telephone by calling the toll-free number included on your proxy card. Telephone voting for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on October 2, 2025.
- **By mail.** You can vote by mail by completing, signing, dating and returning your proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the Board’s recommendations as noted below.
- **Virtually at the meeting.** You will also be able to vote your shares electronically by participating in the virtual Special Meeting. To participate in the virtual Special Meeting, you will need the control number included on your proxy card or on the instructions that accompanied your proxy materials.

The telephone and Internet voting procedures are designed to authenticate stockholders’ identities, to allow you to vote your shares and to confirm that your instructions have been properly recorded. Please refer to your proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. The proxy card is fairly simple to complete, with specific instructions right on the card. By completing and submitting it, you will direct the designated persons (known as “proxies”) to vote your stock at the Special Meeting in accordance with your instructions. The Board has appointed Joshua Silverman, Chief Executive Officer, to serve as the proxy for the Special Meeting.

Your proxy card will be valid only if you sign, date and return it before the Special Meeting. If you complete all of the proxy card except one or more of the voting instructions, then the designated proxies will vote your shares as to which you provide no voting instructions in the manner described under “What if I do not specify how I want my shares voted?” below. We do not anticipate that any other matters will come before the Special Meeting, but if any other matters properly come before the meeting, then the designated proxies will vote your shares in accordance with applicable law and their judgment.

If you hold your shares in “street name,” your bank, broker or other nominee should provide to you a request for voting instructions along with the Company’s proxy solicitation materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you complete the voting instruction card except for one or more of the voting instructions, then your broker may be unable to vote your shares with respect to the proposal as to which you provide no voting instructions. See “What is a broker non-vote?” Alternatively, if you want to vote your shares during the Special Meeting, you must contact your nominee directly in order to obtain a proxy issued to you by your nominee holder. Note that a broker letter that identifies you as a stockholder is not the same as a nominee issued proxy.

Even if you currently plan to attend the Special Meeting, we recommend that you also submit your proxy as described above so that your votes will be counted if you later decide not to attend the Special Meeting or are unable to attend.

What if I have technical difficulties or trouble accessing the Special Meeting?

We will have technicians ready to assist you with any technical difficulties you may have in accessing the Special Meeting. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual meeting log in page.

Who counts the votes?

All votes will be tabulated by Broadridge Investor Communication Solutions, Inc. (“Broadridge”), the inspector of election appointed for the Special Meeting. Each proposal will be tabulated separately.

What are my choices when voting?

When you cast your vote on:

- Issuance Proposal: You may vote for the proposal, vote against the proposal or abstain from voting on the proposal.
- Incentive Plan Amendment Proposal: You may vote for the proposal, vote against the proposal or abstain from voting on the proposal.
- Adjournment Proposal: You may vote for the proposal, vote against the proposal or abstain from voting on the proposal.

What are the Board’s recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

“FOR” the Issuance Proposal, “FOR” the Incentive Plan Amendment Proposal and “FOR” the Adjournment Proposal.

What if I do not specify how I want my shares voted?

If you are a record holder who returns a completed proxy that does not specify how you want to vote your shares on one or more proposals, the proxies will vote your shares for each proposal as to which you provide no voting instructions, and such shares will be voted in the following manner:

“FOR” the Issuance Proposal, “FOR” the Incentive Plan Amendment Proposal and “FOR” the Adjournment Proposal.

If you are a “street name” holder and do not provide voting instructions on one or more proposals, your bank, broker or other nominee will be unable to vote those shares with respect to the Issuance Proposal, the Incentive Plan Amendment Proposal or the Adjournment Proposal. See “What is a broker non-vote?”

Can I change my vote?

Yes. If you are a record holder, you may revoke your proxy at any time by any of the following means:

- attending the Special Meeting and voting during the Special Meeting. Your attendance at the Special Meeting will not by itself revoke a proxy. You must vote your shares online during the Special Meeting to revoke your proxy;
- if you submitted a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above, which must be received before noon, New York time on October 2, 2025, or by voting by Internet on a date later than the prior proxy; or
- giving written notice of revocation to the Company addressed to Joshua Silverman, Chief Executive Officer, at the Company's address above, which notice must be received before noon, New York time on October 2, 2025.

If you are a street name holder, your bank, broker or other nominee should provide instructions explaining how you may change or revoke your voting instructions.

What vote is required to approve each proposal?

Assuming the presence of a quorum, approval of the Issuance Proposal will require the affirmative vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the Special Meeting and entitled to vote on the Issuance Proposal, voting affirmatively or negatively (excluding abstentions and broker non-votes).

Assuming the presence of a quorum, approval of the Incentive Plan Amendment Proposal will require the affirmative vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the Special Meeting and entitled to vote on the Incentive Plan Amendment Proposal, voting affirmatively or negatively (excluding abstentions and broker non-votes).

Assuming the presence of a quorum, approval of the Adjournment Proposal will require the affirmative vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the Special Meeting and entitled to vote on the Adjournment Proposal, voting affirmatively or negatively (excluding abstentions and broker non-votes).

How are abstentions and broker non-votes treated?

Abstentions or votes withheld are included in the determination of the number of shares present at the Special Meeting for determining a quorum at the meeting. Votes abstained will have no effect with respect to the Issuance Proposal, Incentive Plan Amendment Proposal or Adjournment Proposal.

We do not expect there to be any broker non-votes at the Special Meeting because we believe that under applicable rules all proposals presented at the Special Meeting are considered non-routine matters. Therefore, in the absence of specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to the Issuance Proposal, the Incentive Plan Amendment Proposal or the Adjournment Proposal. Accordingly, if you do not provide instructions, your shares will not be voted.

Do I have any dissenters' or appraisal rights with respect to any of the matters to be voted on at the Special Meeting?

No. None of our stockholders have any dissenters' or appraisal rights with respect to the matters to be voted on at the Special Meeting.

What are the solicitation expenses and who pays the cost of this proxy solicitation?

Our Board is asking for your proxy and we will pay all of the costs associated with asking for stockholder proxies. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of Common Stock and collecting voting instructions. We may use officers and employees of the Company to ask for proxies, as described below. In addition, we have retained Campaign Management, LLC ("Campaign Management") to assist in the solicitation of proxies for a fee of \$12,500 plus customary expenses.

Is this Proxy Statement the only way that proxies are being solicited?

No. In addition to the solicitation of proxies by use of the mail, officers and employees of the Company, as well as Campaign Management, the proxy solicitation firm hired by the Company, may solicit the return of proxies, either by mail, telephone, fax, e-mail or through personal contact. These officers and employees will not receive additional compensation for their efforts but will be reimbursed for out-of-pocket expenses. The fees of Campaign Management as well as the reimbursement of expenses of Campaign Management will be borne by us. Brokerage houses and other custodians, nominees and fiduciaries, in connection with shares of the Common Stock registered in their names, will be requested to forward solicitation material to the beneficial owners of shares of Common Stock.

Are there any other matters to be acted upon at the Special Meeting?

Management does not intend to present any business at the Special Meeting for a vote other than the matters set forth in the Notice of Special Meeting of Stockholders and has no information that others will do so. If other matters requiring a vote of the stockholders properly come before the Special Meeting, it is the intention of the persons named in the accompanying proxy card to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Where can I find voting results?

The Company expects to publish the voting results in a current report on Form 8-K, which it expects to file with the SEC within four business days following the Special Meeting (the "Form 8-K"). If final results are unavailable when we file the Form 8-K, then we will file an amendment to the Form 8-K to disclose the final voting results within four business days after the final voting results are known.

ISSUANCE PROPOSAL

Background and Description of the Issuance Proposal

The Private Placement

On August 4, 2025, we entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain accredited investors (the “Investors”), pursuant to which we agreed to sell to the Investors (i) an aggregate of 7,000 shares of Series I Preferred Stock, initially convertible into up to 875,000 shares (the “Conversion Shares”) of our Common Stock at an initial conversion price of \$8.00 per share (the “Conversion Price”), and (ii) warrants (the “Warrants”) to acquire up to an aggregate of 875,000 shares of Common Stock (the “Warrant Shares”) at an exercise price of \$8.00 per share (collectively, the “Private Placement”). The closing of the Private Placement occurred on August 8, 2025 (the “Closing Date”). We received total gross proceeds of approximately \$7 million from the Private Placement.

In connection with the Private Placement, we also entered into (A) an engagement letter (the “GPN Agreement”) with GP Nurmenkari Inc. (“GPN”) and (B) an engagement letter (the “Palladium Agreement,” and collectively with the GPN Agreement, the “Engagement Letters”) with Palladium Capital Group, LLC (“Palladium,” and collectively with GPN, the “Placement Agents”), pursuant to which we agreed to issue to the Placement Agents, or their respective designees, warrants with substantially the same terms as the Warrants (the “Placement Agent Warrants”) to purchase an aggregate of 140,000 shares of Common Stock (the “Placement Agent Warrant Shares”) at an initial exercise price of \$8.00 per share.

To the extent the number of shares of Common Stock issued in connection with the Private Placement is greater than anticipated, the market price of our Common Stock could decline further. The Conversion Shares, the Warrant Shares and the Placement Agent Warrant Shares are collectively referred to as the “Underlying Shares.”

Nasdaq Listing Rule 5635 requires that a listed company seek stockholder approval in certain circumstances, including prior to the issuance, in a transaction other than a public offering, of 20% or more of the Company’s outstanding Common Stock or voting power outstanding before the issuance at a price that is less than the lower of (i) the Nasdaq Official Closing Price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement in connection with such transaction or (ii) the average Nasdaq Official Closing Price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of such binding agreement (the “Minimum Price”). In connection with the Private Placement, we agreed to seek approval by our stockholders for the issuance of the Underlying Shares. The Series I Preferred Stock are initially convertible into up to 875,000 shares of our Common Stock at the initial Conversion Price, the Warrants are exercisable into up to an aggregate of 875,000 shares of our Common Stock at an initial exercise price equal to \$8.00 per share, and the Placement Agent Warrants are exercisable into up to an aggregate of 140,000 shares of our Common Stock at an initial exercise price equal to \$8.00 per share.

The Installment Amount (as defined in the Series I Preferred Stock Certificate of Designations) due upon such redemption are payable in cash at 107% of the applicable Installment Redemption Price (as defined in the Series I Preferred Stock Certificate of Designations). Notwithstanding the foregoing, at any time from the date of the applicable Installment Notice Date (as defined in the Series I Certificate of Designations) through the applicable Installment Date (as defined in the Series I Certificate of Designations) and subject to certain beneficial ownership limitations, a holder of the Series I Preferred Stock may require the Company to convert all or any part of the Installment Amount at a price to be mutually determined by the Company and such holder, which shall not be less than the lower of (x) \$1.5256 and (y) 20% of the Minimum Price on the date in which the Stockholder Approval (as defined herein) is obtained or, in any case, such lower amount as permitted, from time to time, by the Nasdaq Capital Market, and, in each case, subject to adjustment for stock splits, stock dividends, stock combinations, recapitalizations or other similar events, which amortization amounts are subject to certain adjustments as set forth in the Series I Certificate of Designations.

In connection with the Private Placement, we agreed to seek approval by our stockholders for the issuance of the Underlying Shares.

Reasons for the Private Placement

As of June 30, 2025, our cash and cash equivalents totaled approximately \$5.1 million. On July 25, 2025, at a duly held meeting of our Board, our Board determined that it was necessary to raise additional funds for general corporate purposes. We believe that the Private Placement, which yielded aggregate gross proceeds of approximately \$7 million, was necessary in light of our cash and funding requirements. In addition, at the time of the Private Placement, our Board considered numerous alternatives to the transactions, none of which proved to be feasible or, in the opinion of our Board, would have resulted in aggregate terms equivalent to, or more favorable than, the terms obtained in the Private Placement.

Securities Purchase Agreement

The Purchase Agreement obligates us to indemnify the applicable Investors and various related parties for certain losses including those resulting from (i) any misrepresentation or breach of any representation or warranty made by us or any subsidiary in any of the applicable transaction documents, (ii) any breach of any covenant, agreement or obligation of us or any subsidiary contained in any of the applicable transaction documents, and (iii) certain claims by third parties.

The Purchase Agreement contains certain representations and warranties, covenants and indemnification provisions customary for similar transactions, as well as the following additional covenants: (A) unless Stockholder Approval (as defined below) is obtained, the Company shall not affect any Dilutive Issuance (as defined in the Series I Certificate of Designations), (B) for the period commencing on the date of the Purchase Agreement and ending on the date that is ninety (90) days following the earlier of (x) the first date on which the resale by the Investors of all the registrable securities required to be filed on the initial registration statement pursuant to the Registration Rights Agreement is declared effective by the SEC (and each prospectus contained therein is available for use on such date) or (y) the first date on which all of the registrable securities are eligible to be resold by the Investors pursuant to Rule 144 (or, if the Company failed to satisfy any condition set forth in Rule 144(i)(2) (a “Current Public Information Failure”), such later date after which the Company has cured such Current Public Information Failure), neither the Company nor any of its subsidiaries shall directly or indirectly issue, offer, sell, grant any option or right to purchase, or otherwise dispose of (or announce any issuance, offer, sale, grant of any option or right to purchase or other disposition of) any equity security or any equity-linked or related security (including, without limitation, any “equity security” (as that term is defined under Rule 405 promulgated under the 1933 Act), any convertible securities, any preferred stock or any purchase rights) (a “Subsequent Placement”), and (C) until the date that no Warrants remain outstanding, the Company and each of its subsidiaries are prohibited from effecting or entering into an agreement to effect any Subsequent Placement involving a Variable Rate Transaction (as defined in the Purchase Agreement). Additionally, we agreed to hold a stockholder meeting, at which we would use our reasonable best efforts to solicit our stockholders’ affirmative vote for approval of our issuance of the Series I Preferred Stock, the Conversion Shares, the Warrants and the Warrant Shares, each in accordance with applicable law and the rules and regulations of the Nasdaq Stock Market, LLC (the “Stockholder Approval”) no later than October 3, 2025. The Issuance Proposal is intended to fulfill this covenant, however, we are also seeking approval of the issuance of the Placement Agent Warrants pursuant to this Issuance Proposal.

The Series I Preferred Stock

The terms of the Series I Preferred Stock are as set forth in the Series I Preferred Stock Certificate of Designations, which was filed with the Secretary of State for the State of Delaware on August 6, 2025, prior to the closing of the Private Placement. The form of Certificate of Designations was filed as Exhibit 3.1 to the Company’s Current Report on Form 8-K, filed with the SEC on August 12, 2025, and is incorporated herein by reference.

All of our shares of capital stock ranks junior to shares of the Series I Preferred Stock, with respect to the preferences as to dividends, distributions and payments upon the liquidation, dissolution and winding up. Further to the foregoing, the shares of Series I Preferred Stock rank junior to shares of Series H-7 Preferred Stock issued and outstanding pursuant to that certain Series H-7 Preferred Stock Certificate of Designations with respect to the preferences as to dividends, distributions and payments upon the liquidation, dissolution and winding up of the Company.

The shares of Series I Preferred Stock are convertible into the Conversion Shares at the election of the holder at any time at an initial conversion price of \$8.00 per share (the “Conversion Price”). The initial Conversion Price is subject to customary adjustments for stock dividends, stock splits, reclassifications, stock combinations and the like (subject to certain exceptions) and subject to price-based adjustment in the event of any issuances of Common Stock, or securities convertible, exercisable or exchangeable for Common Stock, at a price below the then-applicable Conversion Price (subject to certain exceptions). The Company is required to redeem the Series I Preferred Stock in equal installments, commencing on November 30, 2025, and thereafter on the last trading day of the third calendar month immediately following the previous Installment Date, until the maturity date of February 4, 2027 (the “Maturity Date”).

The holders of the Series I Preferred Stock are entitled to dividends of seven (7%) percent per annum, compounded each calendar quarter, which are payable in arrears (i) quarterly on each Installment Date (as defined in the Series I Preferred Stock Certificate of Designations), in cash out of funds legally available therefor and (ii) prior to the first Installment Date, payable by way of inclusion of the dividends in the Conversion Amount (as defined in the Series I Preferred Stock Certificate of Designations) on each conversion date occurring prior to the first Installment Date. Upon the occurrence and during the continuance of a Triggering Event (as defined in the Certificate of Designations), the Series I Preferred Stock accrue dividends at the rate of 15% per annum.

The holders of the Series I Preferred Stock are entitled to vote with holders of the Common Stock on an as-converted basis, with the number of votes to which each holder of Series I Preferred Stock is entitled to be calculated assuming a conversion price of \$7.628 per share, which was the Minimum Price applicable immediately before the execution and delivery of the Purchase Agreement, subject to certain beneficial ownership limitations as set forth in the Series I Preferred Stock Certificate of Designations.

Notwithstanding the foregoing, our ability to settle conversions using shares of Common Stock is subject to certain limitations set forth in the Series I Preferred Stock Certificate of Designations, including a limit on the number of shares that may be issued until the time, if any, that we have obtained the Stockholder Approval. Further, the Series I Preferred Stock Certificate of Designations contains a certain beneficial ownership limitation after giving effect to the issuance of shares of Common Stock issuable upon conversion of the Series I Preferred Stock.

The Series I Preferred Stock Certificate of Designations includes certain Triggering Events, including, among other things, our failure to pay any amounts due to the holders of the Series I Preferred Stock when due. In connection with a Triggering Event, each holder of Series I Preferred Stock will be able to require the Company to redeem in cash any or all of the holder's Series I Preferred Stock at a premium set forth in the Certificate of Designations.

We are subject to certain affirmative and negative covenants regarding the incurrence of indebtedness, the existence of liens, the repayment of indebtedness, the payment of cash in respect of dividends (other than dividends pursuant to the Certificate of Designations), and the transfer of assets, among other matters. In addition, the Company is required to maintain at all times unencumbered, unrestricted cash and cash equivalents on hand in amount equal to at least 50% of the aggregate stated value of the outstanding shares of Series I Preferred Stock then outstanding.

There is no established public trading market for the Series I Preferred Stock and we do not intend to list the Series I Preferred Stock on any national securities exchange or nationally recognized trading system.

The Warrants and Placement Agent Warrants

The Warrants and Placement Agent Warrants are exercisable for shares of Common Stock immediately, at an exercise price of \$8.00 per share and expire five years from the date of issuance. The exercise price of each of the Warrants and Placement Agent Warrants is subject to customary adjustments for stock dividends, stock splits, reclassifications, stock combinations and the like and subject to price-based adjustment in the event of any issuances of Common Stock, or securities convertible, exercisable or exchangeable for Common Stock, at a price below the then-applicable exercise price (subject to certain exceptions). There is no established public trading market for the Warrants or Placement Agent Warrants, and we do not intend to list the Warrants or Placement Agent Warrants on any national securities exchange or nationally recognized trading system.

The Warrants and Placement Agent Warrants may be exercised for cash; provided that, if there is no effective registration statement available for resale of the Warrant Shares or Placement Agent Warrant Shares, as applicable, the applicable Warrants or Placement Agent Warrants may be exercised on a cashless basis. The exercise price may also be voluntarily reduced by the Company to any amount and for any period of time deemed appropriate by the Board at any time with the prior written consent of the Required Holders (as defined in the Purchase Agreement), subject to the rules and regulations of the Nasdaq Stock Market LLC.

The Registration Rights Agreement

The Series I Preferred Stock, the Conversion Shares, the Warrants and the Warrant Shares have not been registered under the Securities Act of 1933, as amended (the "Securities Act"). In connection with the Purchase Agreement, we and the Investors entered into a Registration Rights Agreement (the "Registration Rights Agreement"), pursuant to which we are required to file a resale registration statement (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") to register for resale 200% of the Conversion Shares and 200% of the Warrant Shares underlying Warrants issued to the Investors promptly following the Closing Date, but in no event later than thirty (30) calendar days after the Closing Date, and to have such Registration Statement declared effective by the Effectiveness Deadline (as defined in the Registration Rights Agreement). We are obligated to pay certain liquidated damages to the Investors if we fail to file the Registration Statement when required, fail to cause the Registration Statement to be declared effective by the SEC when required, or fail to maintain the effectiveness of the Registration Statement pursuant to the terms of the Registration Rights Agreement. Pursuant to the Registration Rights Agreement, we also agreed to other customary obligations regarding registration, including indemnification.

Effect of Issuance of the Securities

The shares of Series I Preferred Stock are initially convertible into up to an aggregate of 875,000 shares of our Common Stock at the initial Conversion Price, the Warrants are exercisable into up to an aggregate of 875,000 shares of our Common Stock at the initial exercise price of \$8.00 per share and the Placement Agent Warrants are exercisable into up to an aggregate of 140,000 shares of our Common Stock at the initial exercise price of \$8.00 per share.

In the event that we issue shares of Common Stock, or securities convertible, exercisable or exchangeable for Common Stock, at a price below the then-applicable Conversion Price or exercise price of the Warrants or Placement Agent Warrants, the aggregate number of shares of Common Stock issuable upon the conversion of the Series I Preferred Stock and the exercise of the Warrants and Placement Agent Warrants would be greater than the number issuable at the initial Conversion Price and/or initial exercise price, as applicable.

The potential issuance of Underlying Shares would result in an increase in the number of shares of Common Stock outstanding, and our stockholders will incur dilution of their percentage ownership to the extent that the Series I Preferred Stock is converted or the Warrants or Placement Agent Warrants are exercised, or additional shares, if any, of Common Stock are issued pursuant to the terms of the Series I Preferred Stock. Because of potential adjustments to the number of shares of Common Stock issuable upon conversion of the Series I Preferred Stock and exercise of the Warrants or Placement Agent Warrants issued in connection with the Private Placement, the exact magnitude of the dilutive effect of the Series I Preferred Stock, the Warrants and the Placement Agent Warrants cannot be conclusively determined. However, the dilutive effect may be material to our current stockholders.

Proposal to Approve Private Placement

Nasdaq Listing Rule 5635(d) requires us to obtain stockholder approval prior to the issuance of securities in connection with a transaction other than a public offering involving the sale, issuance or potential issuance by us of our Common Stock (or securities convertible into or exercisable for our Common Stock), which equals 20% or more of our Common Stock or 20% or more of the voting power outstanding immediately prior to the issuance at a price less than the Minimum Price. In the case of the Private Placement, the 20% threshold is determined based on the shares of our Common Stock outstanding immediately preceding the signing of the Purchase Agreement, which we signed on August 4, 2025.

Immediately prior to the execution of the Purchase Agreement, we had 631,388 shares of Common Stock issued and outstanding. Therefore, the potential issuance of the Underlying Shares would have constituted greater than 20% of the shares of Common Stock issued and outstanding prior to giving effect to the Private Placement. We are seeking stockholder approval under Nasdaq Listing Rule 5635(d) for the sale, issuance or potential issuance by us of our Common Stock (or securities convertible into or exercisable for our Common Stock) in excess of 126,214 shares, which is 20% of the shares of Common Stock issued and outstanding on the original date of entry into the Purchase Agreement.

We generally have no control over whether the holders of the Series I Preferred Stock convert their shares of Series I Preferred Stock, whether the Warrant holders exercise their Warrants or whether the Placement Agents exercise their Placement Agent Warrants. Additionally, the Conversion Price and exercise price of each of the Warrants and Placement Agent Warrants is subject to price-based adjustments in the event of any issuances of Common Stock, or securities convertible, exercisable or exchangeable for Common Stock, at a price below the then-applicable Conversion Price or exercise price of the Warrants or Placement Agent Warrants (subject to certain exceptions). For these reasons, we are unable to accurately forecast or predict with any certainty the total amount of Underlying Shares that may be issued. Under certain circumstances, however, it is possible, that we will issue more than 20% of our outstanding shares of Common Stock to the holders of the Series I Preferred Stock and Warrants and the Placement Agents under the terms of the Private Placement. Therefore, we are seeking stockholder approval under this proposal to issue more than 20% of our outstanding shares of Common Stock, if necessary, to the Series I Preferred Stock and Warrant holders and the Placement Agents under the terms of the Private Placement.

Any transaction requiring approval by our stockholders under Nasdaq Listing Rule 5635(d) would likely result in a significant increase in the number of shares of our Common Stock outstanding, and, as a result, our current stockholders will own a smaller percentage of our outstanding shares of Common Stock.

Future issuances of securities in connection with the Private Placement, if any, may cause a significant reduction in the percentage interests of our current stockholders in voting power, any liquidation value, our book and market value, and any future earnings. Further, the issuance or resale of Common Stock issued to the Series I Preferred Stock and Warrant holders and the Placement Agents pursuant to the Placement Agent Warrants could cause the market price of our Common Stock to decline. In addition to the foregoing, the increase in the number of issued shares of Common Stock in connection with the Private Placement may have an incidental anti-takeover effect in that additional shares could be used to dilute the stock ownership of parties seeking to obtain control of us. The increased number of issued shares could discourage the possibility of, or render more difficult, certain mergers, tender offers, proxy contests or other change of control or ownership transactions.

Under the Nasdaq Listing Rules, we are not permitted (without risk of delisting) to undertake a transaction that could result in a change in control of us without seeking and obtaining separate stockholder approval.

Consequences of Not Approving this Proposal

After extensive efforts to raise capital on more favorable terms, we believed that the Private Placement was the only viable financing alternatives available to us at the time. Unless we obtain stockholder approval for this Issuance Proposal, we will be required to incur additional costs in order to hold additional stockholder meetings every 90 days to seek such approval as is required under the Purchase Agreement. Further, until such time as we obtain stockholder approval for this Issuance Proposal, we will not be able to issue 20% or more of our outstanding shares of Common Stock to the Series I Preferred Stock and Warrant holders or Placement Agents in connection with the Private Placement.

Additionally, pursuant to the the Purchase Agreement: (A) unless Stockholder Approval is obtained, the Company may not affect any Dilutive Issuance (as defined in the Series I Certificate of Designations), and (B) for the period commencing on the date of the Purchase Agreement and ending on the date that is ninety (90) days following the Applicable Date (as defined in the Securities Purchase Agreement), neither the Company nor any of its subsidiaries shall directly or indirectly effect a Subsequent Placement of its equity or equity-linked or related securities as described above.

Interests of Certain Persons

When you consider our Board's recommendation to vote in favor of this proposal, you should be aware that our directors and executive officers and existing stockholders may have interests that may be different from, or in addition to, the interests of other of our stockholders. In particular, Iroquois Capital Investment Group, LLC ("ICIG"), which beneficially owns more than 5% of our voting securities, and its affiliate Iroquois Master Fund Ltd. ("IMF"), participated in the Private Placement. ICIG and IMF may be unable to convert all of the shares of Series I Preferred Stock and exercise all of the Warrants issued to them in connection with the Private Placement if the Issuance Proposal is not approved by our stockholders. ICIG and IMF, together, may, by virtue of the issuance of the Conversion Shares and Warrant Shares to which each is entitled upon conversion of their respective Series I Preferred Stock at the initial Conversion Price or exercise of their respective Warrants at the initial exercise price, respectively, acquire rights to a majority of the voting power of us, based on the number of shares of Common Stock outstanding as of the Record Date.

INCENTIVE PLAN AMENDMENT PROPOSAL

The Board is seeking the approval of our stockholders of a fourth amendment to the StableX Technologies, Inc. Long-Term Equity Incentive Plan, which was adopted by the Board on September 8, 2025, subject to stockholder approval (the “Incentive Plan Amendment”). The Plan was originally approved by the Board on April 21, 2020, and by our stockholders on May 28, 2020. Under the Plan as originally adopted, we initially reserved 2,289,650 shares (without giving effect to the Reverse Stock Splits (as defined below)) of our Common Stock for issuance as awards under the Plan. The Plan was amended by the First Amendment to the Plan (the “First Amendment”) to increase the total number of shares of our Common Stock for issuance under the Plan to 4,089,650 shares (without giving effect to the Reverse Stock Splits), which was adopted by the Board on November 6, 2020, and by our stockholders on December 17, 2020. The Plan was also amended by the Second Amendment to the Plan (the “Second Amendment”) to increase the total number of shares of our Common Stock for issuance under the Plan to 9,839,650 shares (without giving effect to the Reverse Stock Splits) which was adopted by the Board on August 18, 2023, and by our stockholders on September 14, 2023. Subsequently, on September 15, 2023, the Company subsequently effected a 1-for-8 reverse stock split of its Common Stock, after which the number of shares of Common Stock reserved for issuance pursuant to awards under the Plan was adjusted to 1,229,956 (the “2023 Reverse Stock Split”). The Plan was further amended by the Third Amendment to the Plan (the “Third Amendment”) to increase the total number of shares of our Common Stock for issuance under the Plan to 4,229,956 shares (without giving effect to the Reverse Stock Splits) which was adopted by the Board on November 25, 2024, and by our stockholders on December 30, 2024. Subsequently, on June 25, 2025, the Company subsequently effected a 1-for-16 reverse stock split of its Common Stock, after which the number of shares of Common Stock reserved for issuance pursuant to awards under the Plan was adjusted to 264,373 (the “2025 Reverse Stock Split” and, together with the 2023 Reverse Stock Split, the “Reverse Stock Splits”).

As of the Record Date, there were 175,869 shares remaining available for future issuance as awards under the Plan. The Incentive Plan Amendment would further increase the number of shares of Common Stock available for issuance pursuant to awards under the Plan by an additional 135,627 shares, to a total of 400,000 shares of our Common Stock.

Background and Purpose of the Proposal

We believe that operation of the Plan is a necessary and powerful tool in enabling us to attract and retain the best available personnel for positions of substantial responsibility; to provide additional incentive to key employees, key contractors, and non-employee directors; and to promote the success of our business. The Plan is expected to provide flexibility to our compensation methods in order to adapt the compensation of such employees, contractors, and directors to a changing business environment, after giving due consideration to competitive conditions and the impact of federal tax laws. We have strived to use our Plan resources effectively and to maintain an appropriate balance between stockholder interests and the ability to recruit and retain valuable employees. However, we believe there is an insufficient number of shares remaining under our Plan to meet our current and projected needs. Accordingly, it is the judgment of the Board that the Incentive Plan Amendment is in the best interest of the Company and its stockholders. We believe that the Incentive Plan Amendment, which increases the number of shares of Common Stock available for issuance pursuant to awards under the Plan, reflects best practices in our industry and is appropriate to permit the grant of equity awards at expected levels for the future.

A copy of the Incentive Plan Amendment, the First Amendment, the Second Amendment, the Third Amendment and the Plan are included as [Annex A](#), [Annex B](#), [Annex C](#), [Annex D](#) and [Annex E](#), respectively, to this Proxy Statement. Described below is a summary of certain key provisions of the Plan, which is qualified in its entirety by reference to the full text of the Plan, as amended.

Summary of the Proposed Incentive Plan Amendment

The Board adopted the Incentive Plan Amendment on September 8, 2025, subject to stockholder approval, to increase the number of shares of our Common Stock available for issuance pursuant to awards under the Plan by an additional 135,627 shares, to a total of 400,000 shares of our Common Stock.

Description of the Plan

Purpose. The purpose of the Plan is to enable us to remain competitive and innovative in our ability to attract and retain the services of key employees, key contractors, and non-employee directors of the Company or any of our subsidiaries. The Plan provides for the granting of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalent rights, and other awards, which may be granted singly, in combination, or in tandem, and which may be paid in cash or shares of our Common Stock. The Plan is expected to provide flexibility to our compensation methods in order to adapt the compensation of our key employees, key contractors, and non-employee directors to a changing business environment, after giving due consideration to competitive conditions and the impact of applicable tax laws.

Effective Date and Expiration. The Plan was approved by the Board on April 21, 2020 (the “Effective Date”), subject to the Plan’s approval by our stockholders, the First Amendment was approved by the Board on November 6, 2020, the Second Amendment was approved by the Board on August 18, 2023 and the Third Amendment was approved by the Board on November 25, 2024. The Plan will terminate on the tenth anniversary of the Effective Date, unless sooner terminated by the Board. No award may be made under the Plan after its termination date, but awards made prior to the termination date may extend beyond that date in accordance with their terms.

Share Authorization. Subject to certain adjustments, the number of shares of our Common Stock that are reserved for issuance pursuant to awards under the Plan is currently 264,373 shares, 100% of which may be delivered as incentive stock options. If the Incentive Plan Amendment is approved, the total number of shares that may be issued pursuant to awards will be increased by 135,627 shares for a total of 400,000 shares, 100% of which may be delivered as incentive stock options.

Shares to be issued may be made available from authorized but unissued shares of our Common Stock, shares held by us in our treasury, or shares purchased by us on the open market or otherwise. During the term of the Plan, we will at all times reserve and keep enough shares available to satisfy the requirements of the Plan. If an award under the Plan is cancelled, forfeited, or expires, in whole or in part, the shares subject to such forfeited, expired, or cancelled award may again be awarded under the Plan. In the event that previously acquired shares are delivered to us in full or partial payment of the option price upon the exercise of a stock option or other award granted under the Plan, the number of shares available for future awards under the Plan shall be reduced only by the net number of shares issued upon the exercise of the stock option or settlement of an award. Awards that may be satisfied either by the issuance of Common Stock or by cash or other consideration shall be counted against the maximum number of shares that may be issued under the Plan only during the period that the award is outstanding or to the extent the award is ultimately satisfied by the issuance of shares. An award will not reduce the number of shares that may be issued pursuant to the Plan if the settlement of the award will not require the issuance of shares, as, for example, a stock appreciation right that can be satisfied only by the payment of cash. Only shares forfeited back to us; shares cancelled on account of termination, expiration, or lapse of an award; shares surrendered in payment of the option price of an option; or shares withheld for payment of applicable employment taxes and/or withholding obligations resulting from the exercise of a stock option shall again be available for grant as incentive stock options under the Plan, but shall not increase the maximum number of shares described above as the maximum number of shares that may be delivered pursuant to incentive stock options.

Administration. The Plan shall be administered by the Board or such committee of the board as it designated by it to administer the Plan (the “Committee”). At any time there is no Committee to administer the Plan, any reference to the Committee is a reference to the Board. The Committee will determine the persons to whom awards are to be made; determine the type, size, and terms of awards; interpret the Plan; establish and revise rules and regulations relating to the Plan; establish performance goals for awards and certify the extent of their achievement; and make any other determinations that it believes are necessary for the administration of the Plan. The Committee may delegate certain of its duties to one or more of our officers as provided in the Plan.

Eligibility. Employees (including any employee who is also a director or an officer), contractors, and non-employee directors of the Company or any of our subsidiaries, whose judgment, initiative, and efforts contributed to or may be expected to contribute to our successful performance, are eligible to participate in the Plan. As of the Record Date, we had **1** employee, **no** contractors and **5** non-employee directors who would be eligible for awards under the Plan.

Stock Options. The Committee may grant either incentive stock options (“ISOs”) qualifying under Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”), or nonqualified stock options, provided that only employees of the Company and our subsidiaries (excluding subsidiaries that are not corporations) are eligible to receive ISOs. Stock options may not be granted with an option price less than 100% of the fair market value of a share of Common Stock on the date the stock option is granted. If an ISO is granted to an employee who owns or is deemed to own more than 10% of the combined voting power of all classes of our stock (or of any parent or subsidiary), the option price shall be at least 110% of the fair market value of a share of Common Stock on the date of grant. The Committee will determine the terms of each stock option at the time of grant, including, without limitation, the methods by or forms in which shares will be delivered to participants or registered in their names. The maximum term of each option, the times at which each option will be exercisable, and provisions requiring forfeiture of unexercised options at or following termination of employment or service generally are fixed by the Committee, except that the Committee may not grant stock options with a term exceeding 10 years or, in the case of an ISO granted to an employee who owns or is deemed to own more than 10% of the combined voting power of all classes of our stock (or of any parent or subsidiary), a term exceeding five years.

Recipients of stock options may pay the option price (i) in cash, check, bank draft, or money order payable to the order of the Company; (ii) by delivering to us shares of Common Stock (included restricted stock) already owned by the participant having a fair market value equal to the aggregate option price and that the participant has not acquired from us within six months prior to the exercise date; (iii) by delivering to us or our designated agent an executed irrevocable option exercise form, together with irrevocable instructions from the participant to a broker or dealer, reasonably acceptable to us, to sell certain of the shares purchased upon the exercise of the option or to pledge such shares to the broker as collateral for a loan from the broker and to deliver to us the amount of sale or loan proceeds necessary to pay the purchase price; (iv) by requesting us to withhold the number of shares otherwise deliverable upon exercise of the stock option by the number of shares having an aggregate fair market value equal to the aggregate option price at the time of exercise (*i.e.*, a cashless net exercise); and (v) by any other form of valid consideration that is acceptable to the Committee in its sole discretion.

Stock Appreciation Rights. The Committee is authorized to grant stock appreciation rights (“SARs”) as a stand-alone award (or freestanding SARs) or in conjunction with options granted under the Plan (or tandem SARs). SARs entitle a participant to receive an amount equal to the excess of the fair market value of a share of Common Stock on the date of exercise over the fair market value of a share of our Common Stock on the date of grant. The grant price of a SAR cannot be less than 100% of the fair market value of a share of our Common Stock on the date of grant. The Committee will determine the terms of each SAR award at the time of the grant, including, without limitation, the methods by or forms in which shares will be delivered to participants or registered in their names. The maximum term of each SAR award, the times at which each SAR award will be exercisable, and provisions requiring forfeiture of unexercised SARs at or following termination of employment or service generally are fixed by the Committee, except that no freestanding SAR may have a term exceeding 10 years and no tandem SAR may have a term exceeding the term of the option granted in conjunction with the tandem SAR. Distributions to the recipient may be made in Common Stock, cash, or a combination of both as determined by the Committee.

Restricted Stock and Restricted Stock Units. The Committee is authorized to grant restricted stock and restricted stock units. Restricted stock consists of shares of our Common Stock that may not be sold, assigned, transferred, pledged, hypothecated, encumbered, or otherwise disposed of, and that may be forfeited in the event of certain terminations of employment or service, prior to the end of the restricted period as specified by the Committee. Restricted stock units are the right to receive shares of Common Stock at a future date in accordance with the terms of such grant upon the attainment of certain conditions specified by the Committee, which include a substantial risk of forfeiture and restrictions on their sale or other transfer by the participant. The Committee determines the eligible participants to whom, and the time or times at which, grants of restricted stock or restricted stock units will be made; the number of shares or units to be granted; the price to be paid, if any; the time or times within which the shares covered by such grants will be subject to forfeiture; the time or times at which the restrictions will terminate; and all other terms and conditions of the grants. Restrictions or conditions could include, but are not limited to, the attainment of performance goals (as described below), continuous service with us, the passage of time, or other restrictions or conditions. Except as otherwise provided in the Plan or the applicable award agreement, a participant shall have, with respect to shares of restricted stock, all of the rights of a stockholder of the Company holding the class of Common Stock that is the subject of the restricted stock, including, if applicable, the right to vote the Common Stock and the right to receive any dividends thereon.

Dividend Equivalent Rights. The Committee is authorized to grant a dividend equivalent right to any participant, either as a component of another award or as a separate award, conferring upon the participant the right to receive credits based on the cash dividends that would have been paid on the shares of Common Stock specified in the award as if such shares were held by the participant. The terms and conditions of the dividend equivalent right shall be specified in the grant. Dividend equivalents credited to the holder of a dividend equivalent right may be paid currently or may be deemed to be reinvested in additional shares. Any such reinvestment shall be at the fair market value at the time thereof. A dividend equivalent right may be settled in cash, shares, or a combination thereof.

Performance Awards. The Committee may grant performance awards payable at the end of a specified performance period in cash, shares of Common Stock, units, or other rights based upon, payable in, or otherwise related to our Common Stock. Payment will be contingent upon achieving pre-established performance goals (as described below) by the end of the applicable performance period. The Committee will determine the length of the performance period, the maximum payment value of an award, and the minimum performance goals required before payment will be made, so long as such provisions are not inconsistent with the terms of the Plan, and to the extent an award is subject to Section 409A of the Code, are in compliance with the applicable requirements of Section 409A of the Code and any applicable regulations or guidance. In certain circumstances, the Committee may, in its discretion, determine that the amount payable with respect to certain performance awards will be reduced from the maximum amount of any potential awards. If the Committee determines, in its sole discretion, that the established performance measures or objectives are no longer suitable because of a change in our business, operations, corporate structure, or for other reasons that the Committee deems satisfactory, the Committee may modify the performance measures or objectives and/or the performance period.

Performance Goals. Awards of restricted stock, restricted stock units, performance awards, and other awards under the Plan may be made subject to the attainment of performance goals relating to one or more business criteria which shall consist of one or more or any combination of the following criteria (“Performance Criteria”): cash flow; cost; revenues; sales; ratio of debt to debt plus equity; net borrowing, credit quality, or debt ratings; profit before tax; economic profit; earnings before interest and taxes; earnings before interest, taxes, depreciation, and amortization; gross margin; earnings per share (whether on a pre-tax, after-tax, operational, or other basis); operating earnings; capital expenditures; expenses or expense levels; economic value added; ratio of operating earnings to capital spending or any other operating ratios; free cash flow; net profit; net sales; net asset value per share; the accomplishment of mergers, acquisitions, dispositions, public offerings, or similar extraordinary business transactions; sales growth; price of the shares; return on assets, equity, or stockholders’ equity; market share; inventory levels, inventory turn or shrinkage; or total return to stockholders. Any Performance Criteria may be used to measure our performance as a whole or of any of our business units and may be measured relative to a peer group or index. Any Performance Criteria may include or exclude (i) events that are of an unusual nature or indicate infrequency of occurrence, (ii) gains or losses on the disposition of a business; (iii) changes in tax or accounting regulations or laws; (iv) the effect of a merger or acquisition, as identified in our quarterly and annual earnings releases; or (v) other similar occurrences. In all other respects, Performance Criteria shall be calculated in accordance with our financial statements, under generally accepted accounting principles, or under a methodology established by the Committee prior to the issuance of an award, which is consistently applied and identified in the Company’s audited financial statements, including in footnotes, or the Compensation Discussion and Analysis section of the Company’s annual report.

Other Awards. The Committee may grant other forms of awards, based upon, payable in, or that otherwise relate to, in whole or in part, shares of our Common Stock, if the Committee determines that such other form of award is consistent with the purpose and restrictions of the Plan. The terms and conditions of such other form of award shall be specified in the grant. Such other awards may be granted for no cash consideration, for such minimum consideration as may be required by applicable law, or for such other consideration as may be specified in the grant.

Vesting, Forfeiture and Recoupment, Assignment. The Committee, in its sole discretion, may determine that an award will be immediately vested, in whole or in part, or that all or any portion may not be vested until a date, or dates, subsequent to its date of grant, or until the occurrence of one or more specified events, subject in any case to the terms of the Plan. If the Committee imposes conditions upon vesting, then, subsequent to the date of grant, the Committee may, in its sole discretion, accelerate the date on which all or any portion of the award may be vested.

The Committee may impose on any award at the time of grant or thereafter, such additional terms and conditions as the Committee determines, including terms requiring forfeiture of awards in the event of a participant's termination of service. The Committee will specify the circumstances on which performance awards may be forfeited in the event of a termination of service by a participant prior to the end of a performance period or settlement of such awards. Except as otherwise determined by the Committee, restricted stock will be forfeited upon a participant's termination of service during the applicable restriction period. In addition, we may recoup all or any portion of any shares or cash paid to a participant in connection with any award in the event of a restatement of the Company's financial statements as set forth in the Company's clawback policy, if any, as such policy may be approved or modified by the Board from time to time.

Awards granted under the Plan generally are not assignable or transferable except by will or by the laws of descent and distribution, except that the Committee may, in its discretion and pursuant to the terms of an award agreement, permit transfers of nonqualified stock options or SARs to (i) the spouse (or former spouse), children, or grandchildren of the participant ("Immediate Family Members"); (ii) a trust or trusts for the exclusive benefit of such Immediate Family Members; (iii) a partnership in which the only partners are (a) such Immediate Family Members and/or (b) entities which are controlled by the participant and/or his or her Immediate Family Members; (iv) an entity exempt from federal income tax pursuant to Section 501(c)(3) of the Code or any successor provision; or (v) a split interest trust or pooled income fund described in Section 2522(c)(2) of the Code or any successor provision, provided that (x) there shall be no consideration for any such transfer, (y) the applicable award agreement pursuant to which such nonqualified stock options or SARs are granted must be approved by the Committee and must expressly provide for such transferability, and (z) subsequent transfers of transferred nonqualified stock options or SARs shall be prohibited except those by will or the laws of descent and distribution.

Adjustments Upon Changes in Capitalization. In the event that any dividend or other distribution (whether in the form of cash, shares of our Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, rights offering, reorganization, merger, consolidation, split-up, spin-off, split-off, combination, subdivision, repurchase, or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase shares of Common Stock or other securities of the Company, or other similar corporate transaction or event affects the fair value of an award, then the Committee shall adjust any or all of the following so that the fair value of the award immediately after the transaction or event is equal to the fair value of the award immediately prior to the transaction or event: (i) the number of shares and type of Common Stock (or the securities or property) which thereafter may be made the subject of awards; (ii) the number of shares and type of Common Stock (or other securities or property) subject to outstanding awards; (iii) the number of shares and type of Common Stock (or other securities or property) specified as the annual per-participant limitation under the Plan; (iv) the option price of each outstanding stock option; (v) the amount, if any, we pay for forfeited shares in accordance with the terms of the Plan; and (vi) the number of or exercise price of shares then subject to outstanding SARs previously granted and unexercised under the Plan, to the end that the same proportion of our issued and outstanding shares of Common Stock in each instance shall remain subject to exercise at the same aggregate exercise price; provided, however, that the number of shares of Common Stock (or other securities or property) subject to any award shall always be a whole number. Notwithstanding the foregoing, no such adjustment shall be made or authorized to the extent that such adjustment would cause the Plan or any stock option to violate Section 422 or Section 409A of the Code. All such adjustments must be made in accordance with the rules of any securities exchange, stock market, or stock quotation system to which we are subject.

Amendment or Discontinuance of the Plan. The Board may, at any time and from time to time, without the consent of participants, alter, amend, revise, suspend, or discontinue the Plan in whole or in part; provided, however, that (i) no amendment that requires stockholder approval in order for the Plan and any awards under the Plan to continue to comply with Sections 421 and 422 of the Code (including any successors to such sections or other applicable law) or any applicable requirements of any securities exchange or inter-dealer quotation system on which our stock is listed or traded, shall be effective unless such amendment is approved by the requisite vote of our stockholders entitled to vote on the amendment; and (ii) unless required by law, no action by the Board regarding amendment or discontinuance of the Plan may adversely affect any rights of any participants or obligations of the Company to any participants with respect to any outstanding awards under the Plan without the consent of the affected participant.

Federal Income Tax Consequences

The following is a brief summary of certain U.S. federal income tax consequences relating to the transactions described under the Plan as set forth below. This summary does not purport to address all aspects of U.S. federal income taxation and does not describe any potential state, local, or foreign tax consequences. This discussion is based upon provisions of the Code and the Treasury Regulations issued thereunder, and judicial and administrative interpretations under the Code and Treasury Regulations, all as in effect as of the date hereof, and all of which are subject to change (possibly on a retroactive basis) or different interpretation.

Law Affecting Deferred Compensation. In 2004, Section 409A was added to the Code to regulate all types of deferred compensation. If the requirements of Section 409A of the Code are not satisfied, deferred compensation and earnings thereon will be subject to tax as it vests, plus an interest charge at the then current underpayment rate plus 1% and a 20% penalty tax. Certain performance awards, stock options, SARs, restricted stock units, and certain types of restricted stock are subject to Section 409A of the Code.

Incentive Stock Options. A participant will not recognize income at the time an ISO is granted. When a participant exercises an ISO, a participant also generally will not be required to recognize income (either as ordinary income or capital gain). However, to the extent that the fair market value (determined as of the date of grant) of the shares with respect to which the participant's ISOs are exercisable for the first time during any year exceeds \$100,000, the ISOs for the shares over \$100,000 will be treated as nonqualified stock options, and not ISOs, for federal tax purposes, and the participant will recognize income as if the ISOs were nonqualified stock options (as described in more detail below). In addition to the foregoing, if the fair market value of the shares received upon exercise of an ISO exceeds the option price, then the excess may be deemed a tax preference adjustment for purposes of the federal alternative minimum tax calculation. The federal alternative minimum tax may produce significant tax repercussions depending upon the participant's particular tax status.

The tax treatment of any shares acquired upon exercise of an ISO will depend upon whether the participant disposes of his or her shares prior to the later of: (i) two years after the date the ISO was granted or (ii) one year after the shares were transferred to the participant (referred to as, the "Holding Period"). If a participant disposes of shares acquired upon exercise of an ISO after the expiration of the Holding Period, any amount received in excess of the participant's tax basis for such shares will be treated as a short-term or long-term capital gain, depending upon how long the participant has held the shares. If the amount received is less than the participant's tax basis for such shares, the loss will be treated as a short-term or long-term capital loss, depending upon how long the participant has held the shares. If the participant disposes of shares acquired upon exercise of an ISO prior to the expiration of the Holding Period, the disposition will be considered a "disqualifying disposition." If the amount received for the shares is greater than the fair market value of the shares on the exercise date, then the difference between the ISO's option price and the fair market value of the shares at the time of exercise will be treated as ordinary income for the tax year in which the disqualifying disposition occurs. The participant's basis in the shares will be increased by an amount equal to the amount treated as ordinary income due to such disqualifying disposition. In addition, the amount received in such disqualifying disposition over the participant's increased basis in the shares will be treated as capital gain. However, if the price received for shares acquired upon exercise of an ISO is less than the fair market value of the shares on the exercise date and the disposition is a transaction in which the participant sustains a loss which otherwise would be recognizable under the Code, then the amount of ordinary income that the participant will recognize is the excess, if any, of the amount realized on the disqualifying disposition over the basis of the shares.

Nonqualified Stock Options. A participant generally will not recognize income at the time a nonqualified stock option is granted. When a participant exercises a nonqualified stock option, the difference between the option price and any higher market value of the shares of Common Stock on the date of exercise will be treated as compensation taxable as ordinary income to the participant. The participant's tax basis for the shares acquired under a nonqualified stock option will be equal to the option price paid for such shares, plus any amounts included in the participant's income as compensation. When a participant disposes of shares acquired upon exercise of a nonqualified stock option, any amount received in excess of the participant's tax basis for such shares will be treated as short-term or long-term capital gain, depending upon how long the participant has held the shares. If the amount received is less than the participant's tax basis for such shares, the loss will be treated as a short-term or long-term capital loss, depending upon how long the participant has held the shares.

Special Rule if Option Price is Paid for in Shares. If a participant pays the option price of a nonqualified stock option with previously-owned shares of our Common Stock and the transaction is not a disqualifying disposition of shares previously acquired under an ISO, the shares received equal to the number of shares surrendered are treated as having been received in a tax-free exchange. The participant's tax basis and holding period for these shares received will be equal to the participant's tax basis and holding period for the shares surrendered. The shares received in excess of the number of shares surrendered will be treated as compensation taxable as ordinary income to the participant to the extent of their fair market value. The participant's tax basis in these shares will be equal to their fair market value on the date of exercise, and the participant's holding period for such shares will begin on the date of exercise.

If the use of previously acquired shares to pay the option price of a nonqualified stock option constitutes a disqualifying disposition of shares previously acquired under an ISO, the participant will have ordinary income as a result of the disqualifying disposition in an amount equal to the excess of the fair market value of the shares surrendered, determined at the time such shares were originally acquired on exercise of the ISO, over the aggregate option price paid for such shares. As discussed above, a disqualifying disposition of shares previously acquired under an ISO occurs when the participant disposes of such shares before the end of the Holding Period. The other tax results from paying the option price with previously-owned shares are as described above, except that the participant's tax basis in the shares that are treated as having been received in a tax-free exchange will be increased by the amount of ordinary income recognized by the participant as a result of the disqualifying disposition.

Restricted Stock. A participant who receives restricted stock generally will recognize as ordinary income the excess, if any, of the fair market value of the shares granted as restricted stock at such time as the shares are no longer subject to forfeiture or restrictions, over the amount paid, if any, by the participant for such shares. However, a participant who receives restricted stock may make an election under Section 83(b) of the Code within 30 days of the date of transfer of the restricted shares to recognize ordinary income on the date of transfer of the restricted shares equal to the excess of the fair market value of such shares (determined without regard to the restrictions on such shares) over the purchase price, if any, paid for such shares. If a participant does not make an election under Section 83(b) of the Code, then the participant will recognize as ordinary income any dividends received with respect to such shares. At the time of sale of such shares, any gain or loss realized by the participant will be treated as either short-term or long-term capital gain (or loss) depending upon how long the participant has held the shares. For purposes of determining any gain or loss realized, the participant's tax basis will be the amount previously taxable as ordinary income, plus the purchase price paid by the participant, if any, for such shares.

Stock Appreciation Rights. Generally, a participant who receives a stand-alone SAR will not recognize taxable income at the time the stand-alone SAR is granted, provided that the SAR is exempt from or complies with Section 409A of the Code. If an employee receives the appreciation inherent in the SARs in cash, the cash will be taxed as ordinary income to the recipient at the time it is received. If a recipient receives the appreciation inherent in the SARs in stock, the spread between the then current market value and the grant price, if any, will be taxed as ordinary income to the employee at the time it is received.

Other Awards. In the case of an award of restricted stock units, performance awards, dividend equivalent rights, or other stock or cash awards, the recipient will generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery, provided that the award is exempt from or complies with Section 409A of the Code.

Federal Tax Withholding. Any ordinary income realized by a participant upon the granting, vesting, exercise or conversion of an award under the Plan, as applicable, is subject to withholding of U.S. federal, state, and local income tax and to withholding of the participant's share of tax under the Federal Insurance Contribution Act and the Federal Unemployment Tax Act. To satisfy our federal income tax withholding requirements, we will have the right to require, as a condition to delivery of any certificate for shares of Common Stock or the registration of the shares in the participant's name, that the participant remit to us an amount sufficient to satisfy the withholding requirements. Alternatively, we may withhold a portion of the shares (valued at fair market value) that otherwise would be issued to the participant to satisfy all or part of the withholding tax obligations or may, if we consent, accept delivery of shares (that the participant has not acquired from us within six months prior to the date of exercise) with an aggregate fair market value that equals or exceeds the required tax withholding payment. Withholding does not represent an increase in the participant's total income tax obligation, since it is fully credited toward his or her tax liability for the year. Additionally, withholding does not affect the participant's tax basis in the shares. Compensation income realized and tax withheld will be reflected on Forms W-2 supplied by the Company to employees no later than January 31 of the succeeding year. Deferred compensation that is subject to Section 409A of the Code will be subject to certain federal income tax withholding and reporting requirements.

Tax Consequences to Us. To the extent that a participant recognizes ordinary income in the circumstances described above, we will be entitled to a corresponding deduction provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an “excess parachute payment” within the meaning of Section 280G of the Code, and is not disallowed by the \$1,000,000 limitation on certain executive compensation under Section 162(m) of the Code.

Million Dollar Deduction Limit and Other Tax Matters. We may not deduct compensation of more than \$1,000,000 that is paid to “covered employees” (as defined in Section 162(m) of the Code), which include (i) an individual (or, in certain circumstances, his or her beneficiaries) who, at any time during the taxable year, is either our principal executive officer or principal financial officer; (ii) an individual who is among our three highest compensated officers for the taxable year (other than an individual who was either our principal executive officer or principal financial officer at any time during that taxable year); or (iii) anyone who was a covered employee for purposes of Section 162(m) of the Code for any tax year beginning on or after January 1, 2017. This limitation on deductions (x) only applies to compensation paid by a publicly-traded corporation (and not compensation paid by non-corporate entities) and (z) may not apply to certain types of compensation, such as qualified performance-based compensation that is payable pursuant to a written, binding contract that was in effect as of November 2, 2017, so long as the contract is not materially modified after that date.

If an individual’s rights under the Plan are accelerated as a result of a change in control and the individual is a “disqualified individual” under Section 280G of the Code, the value of any such accelerated rights received by such individual may be included in determining whether or not such individual has received an “excess parachute payment” under Section 280G of the Code, which could result in (i) the imposition of a 20% federal excise tax (in addition to federal income and employment taxes) payable by the individual on the value of such accelerated rights, and (ii) the loss by us of a compensation deduction.

Interest of Certain Persons

All members of the Board and all of our executive officers are eligible for awards under the Plan and, thus, have a personal interest in the approval of the Plan.

Plan Amendment Benefits

With respect to the increased number of shares reserved under the Plan pursuant to the Incentive Plan Amendment, we cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to eligible participants under the Plan because the grant of awards and terms of such awards are to be determined in the sole discretion of the Committee.

The market value of our Common Stock on the Record Date was \$7.17 per share, based on the closing price of our Common Stock on the Record Date.

Vote Required and Board’s Recommendation

The approval of the Incentive Plan Amendment Proposal requires the affirmative vote of the holders of a majority of the votes cast by the stockholders present in person or represented by proxy at the Special Meeting and entitled to vote on the Incentive Plan Amendment Proposal, voting affirmatively or negatively (excluding abstentions and broker non-votes). “ABSTAIN” votes will have no effect on the results for the Incentive Plan Amendment Proposal. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE INCENTIVE PLAN AMENDMENT PROPOSAL, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE PROPOSAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

THE ADJOURNMENT PROPOSAL

Background of and Rationale for the Adjournment Proposal

The Board believes that if the number of shares of the Company's voting stock outstanding and entitled to vote at the Special Meeting and voting in favor of any one or more of the proposals presented at the Special Meeting is insufficient to approve such proposals, it is in the best interests of the stockholders to enable the Board to continue to seek to obtain a sufficient number of additional votes to approve such proposals.

In the Adjournment Proposal, we are asking stockholders to authorize the holder of any proxy solicited by the Board to vote in favor of adjourning or postponing the Special Meeting or any adjournment or postponement thereof. If our stockholders approve this proposal, we could adjourn or postpone the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of any one or more of the proposals presented at the Special Meeting.

Additionally, approval of the Adjournment Proposal could mean that, in the event we receive proxies indicating that we will not obtain approval for one or more of the proposals presented at the Special Meeting, we could adjourn or postpone the Special Meeting without a vote on such proposals and use the additional time to solicit the holders of those shares to change their vote in favor of the such proposals.

Required Vote

The affirmative vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the Special Meeting and entitled to vote, voting affirmatively or negatively (excluding abstentions and broker non-votes) is required to approve the Adjournment Proposal. "ABSTAIN" votes will have no effect on the outcome of the Adjournment Proposal. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE ADJOURNMENT PROPOSAL, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

OTHER BUSINESS

The Board knows of no other business to be brought before the Special Meeting. If, however, any other business should properly come before the Special Meeting, the persons named in the accompanying proxy will vote the proxy in accordance with applicable law and as they may deem appropriate in their discretion, unless directed by the proxy to do otherwise.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act (“Rule 14a-8”), a stockholder who intends to present a proposal at our 2026 annual meeting of stockholders and who wishes the proposal to be included in the proxy statement for the 2026 annual meeting must submit the proposal to us in writing to the attention of the Secretary at StableX Technologies, Inc., 1185 Avenue of the Americas, New York, New York 10036. The proposal must be received not less than 120 calendar days before the anniversary of the date the proxy statement is released to stockholders in connection with our 2025 annual meeting of stockholders, or December 22, 2025. However, pursuant to Rule 14a-8, if the date of the 2026 annual meeting has been changed by more than 30 days from the date of the 2025 annual meeting, or is held on a date that is before April 19, 2026, or after June 18, 2026, then a stockholder proposal submitted for inclusion in our proxy statement for the 2026 annual meeting must be received by us a reasonable time before we begin to print and mail our proxy statement for the 2026 annual meeting.

To be considered for presentation at the 2026 annual meeting, outside of the requirements of Rule 14a-8 of the Exchange Act, although not included in the proxy statement, stockholders must follow the submission criteria set forth in our Bylaws and applicable law concerning stockholder proposals. To be timely in connection with the 2026 annual meeting, a stockholder proposal concerning director nominations or other business must be received by our Secretary at our principal executive offices not later than the 45th day nor earlier than the 75th day before the one-year anniversary of the date on which the Company first mailed its proxy materials or a notice of availability of proxy materials (whichever is earlier) for the 2025 annual meeting (i.e., the date that is between February 5, 2026 and March 7, 2026); provided, however, that in the event that the 2026 annual meeting is called for a date that is 30 days prior to the date that is one year from the date of the 2025 annual meeting date or a date which is 60 days after the date of the 2025 annual meeting date (i.e., the date that is between April 19, 2026, and July 18, 2026), notice must be received by our Secretary at our principal executive offices not earlier than 120 days prior to the date of the 2026 annual meeting and not later than the later of (A) the tenth day following the date of the public announcement of the date of the 2026 annual meeting or (B) the date which is 90 days prior to the date of the 2026 annual meeting.

In addition to satisfying the requirements under our Bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than director nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 20, 2026 (i.e., the date that is 60 days prior to the anniversary date of the 2025 annual meeting of stockholders).

A copy of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024, as amended, is available without charge (except for exhibits, which are available upon payment of a reasonable fee) upon written request to StableX Technologies, Inc., 1185 Avenue of the Americas, New York, New York 10036.

AYRO INC.
LONG-TERM INCENTIVE PLAN

The AYRO, Inc. Long-Term Incentive Plan (the “*Plan*”) was adopted by the Board of Directors of AYRO, Inc. a Delaware corporation (the “*Company*”), effective as of April 21, 2020 (the “*Effective Date*”), subject to approval by the Company’s stockholders.

ARTICLE 1.
PURPOSE

The purpose of the Plan is to attract and retain the services of key Employees, key Contractors, and Outside Directors of the Company and its Subsidiaries and to provide such persons with a proprietary interest in the Company through the granting of Incentive Stock Options, Nonqualified Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Awards, Dividend Equivalent Rights, and Other Awards, whether granted singly, or in combination, or in tandem, that will:

- (a) increase the interest of such persons in the Company’s welfare;
- (b) furnish an incentive to such persons to continue their services for the Company or its Subsidiaries; and
- (c) provide a means through which the Company may attract able persons as Employees, Contractors, and Outside Directors.

With respect to Reporting Participants, the Plan and all transactions under the Plan are intended to comply with all applicable conditions of Rule 16b-3 promulgated under the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, such provision or action shall be deemed null and void *ab initio*, to the extent permitted by law and deemed advisable by the Committee.

DEFINITIONS

For the purpose of the Plan, unless the context requires otherwise, the following terms shall have the meanings indicated:

2.2 “*Authorized Officer*” is defined in Section 3.2(b) hereof.

2.3 “*Award*” means the grant of any Incentive Stock Option, Nonqualified Stock Option, Restricted Stock, SAR, Restricted Stock Unit, Performance Award, Dividend Equivalent Right or Other Award, whether granted singly or in combination or in tandem (each individually referred to herein as an “*Incentive*”).

2.5 “**Award Period**” means the period set forth in the Award Agreement during which one or more Incentives granted under an Award may be exercised.

2.7 “**Change in Control**”

(a) any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such Person any securities acquired directly from the Company or its Affiliates) representing fifty percent (50%) or more of the combined voting power of the Company’s then outstanding securities, excluding any Person who becomes such a Beneficial Owner in connection with a transaction described in clause (a) of paragraph (c) below;

(b) the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on the effective date of this Plan, constitute the Board and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose appointment or election by the Board or nomination for election by the Company’s stockholders was approved or recommended by a vote of at least two-thirds (2/3^{rds}) of the directors then still in office who either were directors on the effective date of this Plan or whose appointment, election or nomination for election was previously so approved or recommended;

(c) there is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation, other than (i) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) at least fifty percent (50%) of the combined voting power of the securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, or (ii) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including the securities Beneficially Owned by such Person any securities acquired directly from the Company or its Affiliates other than in connection with the acquisition by the Company or its Affiliates of a business) representing fifty percent (50%) or more of the combined voting power of the Company’s then outstanding securities; or

(d) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition by the Company of all or substantially all of the Company’s assets, other than a sale or disposition by the Company of all or substantially all of the Company’s assets to an entity, at least fifty percent (50%) of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

For purposes hereof:

“**Affiliate**” shall have the meaning set forth in Rule 12b-2 promulgated under Section 12 of the Exchange Act.

“**Beneficial Owner**” shall have the meaning set forth in Rule 13d-3 under the Exchange Act.

“**Person**” shall have the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term shall not include (i) the Company or any of its Subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of the Company or any of its Affiliates, (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

Notwithstanding the foregoing provisions of this Section 2.7, if an Award issued under the Plan is subject to Section 409A of the Code, then an event shall not constitute a Change in Control for purposes of such Award under the Plan unless such event also constitutes a change in the Company’s ownership, its effective control or the ownership of a substantial portion of its assets within the meaning of Section 409A of the Code.

2.8 “**Claim**” means any claim, liability or obligation of any nature, arising out of or relating to this Plan or an alleged breach of this Plan or an Award Agreement.

2.9 “**Code**” means the United States Internal Revenue Code of 1986, as amended.

2.10 “**Committee**” means the committee appointed or designated by the Board to administer the Plan in accordance with Article 3 of the Plan.

2.11 “**Common Stock**” means the common stock, par value \$0.0001 per share, which the Company is currently authorized to issue or may in the future be authorized to issue, or any securities into which or for which the common stock of the Company may be converted or exchanged, as the case may be, pursuant to the terms of this Plan.

2.12 “**Company**” means AYRO, Inc., a Delaware corporation, and any successor entity.

2.13 “**Contractor**” means any natural person, who is not an Employee, rendering *bona fide* services to the Company or a Subsidiary, with compensation, pursuant to a written independent contractor agreement between such person and the Company or a Subsidiary, provided that such services are not rendered in connection with the offer or sale of securities in a capital raising transaction and do not directly or indirectly promote or maintain a market for the Company’s securities.

2.14 “**Corporation**” means any entity that (a) is defined as a corporation under Section 7701 of the Code and (b) is the Company or is in an unbroken chain of corporations (other than the Company) beginning with the Company, if each of the corporations other than the last corporation in the unbroken chain owns stock possessing a majority of the total combined voting power of all classes of stock in one of the other corporations in the chain. For purposes of clause (b) hereof, an entity shall be treated as a “corporation” if it satisfies the definition of a corporation under Section 7701 of the Code.

2.15 “**Date of Grant**” means the effective date on which an Award is made to a Participant as set forth in the applicable Award Agreement; provided, however, that solely for purposes of Section 16 of the Exchange Act and the rules and regulations promulgated thereunder, the Date of Grant of an Award shall be the date of stockholder approval of the Plan if such date is later than the effective date of such Award as set forth in the Award Agreement.

Except as may be necessary or desirable to comply with applicable federal or state law, a “Termination of Service” shall not be deemed to have occurred when a Participant who is an Employee becomes an Outside Director or Contractor or vice versa. If, however, a Participant who is an Employee and who has an Incentive Stock Option ceases to be an Employee but does not suffer a Termination of Service, and if that Participant does not exercise the Incentive Stock Option within the time required under Section 422 of the Code upon ceasing to be an Employee, the Incentive Stock Option shall thereafter become a Nonqualified Stock Option. Notwithstanding the foregoing provisions of this Section 2.43, in the event an Award issued under the Plan is subject to Section 409A of the Code, then, in lieu of the foregoing definition and to the extent necessary to comply with the requirements of Section 409A of the Code, the definition of “Termination of Service” for purposes of such Award shall be the definition of “separation from service” provided for under Section 409A of the Code and the regulations or other guidance issued thereunder.

ARTICLE 3. ADMINISTRATION

3.1 **General Administration; Establishment of Committee.** Subject to the terms of this Article 3, the Plan shall be administered by the Board or such committee of the Board as is designated by the Board to administer the Plan (the “**Committee**”). The Committee shall consist of not fewer than two persons. Any member of the Committee may be removed at any time, with or without cause, by resolution of the Board. Any vacancy occurring in the membership of the Committee may be filled by appointment by the Board. At any time there is no Committee to administer the Plan, any references in this Plan to the Committee shall be deemed to refer to the Board.

Membership on the Committee shall be limited to those members of the Board who are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act. The Committee shall select one of its members to act as its Chairman. A majority of the Committee shall constitute a quorum, and the act of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the act of the Committee.

3.2 Designation of Participants and Awards.

(a) The Committee or the Board shall determine and designate from time to time the eligible persons to whom Awards will be granted and shall set forth in each related Award Agreement, where applicable, the Award Period, the Date of Grant, and such other terms, provisions, limitations, and performance requirements, as are approved by the Committee, but not inconsistent with the Plan. The Committee shall determine whether an Award shall include one type of Incentive or two or more Incentives granted in combination or two or more Incentives granted in tandem (that is, a joint grant where exercise of one Incentive results in cancellation of all or a portion of the other Incentive). Although the members of the Committee shall be eligible to receive Awards, all decisions with respect to any Award, and the terms and conditions thereof, to be granted under the Plan to any member of the Committee shall be made solely and exclusively by the other members of the Committee, or if such member is the only member of the Committee, by the Board.

(b) Notwithstanding Section 3.2(a), to the extent permitted by Applicable Law, the Board may, in its discretion and by a resolution adopted by the Board, authorize one or more officers of the Company (an “**Authorized Officer**”) to (i) designate one or more Employees as eligible persons to whom Nonqualified Stock Options, Incentive Stock Options or SARs will be granted under the Plan, and (ii) determine the number of shares of Common Stock that will be subject to such Nonqualified Stock Options, Incentive Stock Options or SARs; provided, however, that the resolution of the Board granting such authority shall (x) specify the total number of shares of Common Stock that may be made subject to the Nonqualified Stock Options, Incentive Stock Options or SARs, (y) set forth the price or prices (or a formula by which such price or prices may be determined) to be paid for the purchase of the Common Stock subject to such Nonqualified Stock Options, Incentive Stock Options or SARs, and (z) not authorize an officer to designate himself as a recipient of any Award.

3.3 Authority of the Committee. The Committee, in its discretion, shall (a) interpret the Plan and Award Agreements, (b) prescribe, amend, and rescind any rules and regulations, as necessary or appropriate for the administration of the Plan, (c) establish performance goals for an Award and certify the extent of their achievement, and (d) make such other determinations or certifications and take such other action as it deems necessary or advisable in the administration of the Plan. Any interpretation, determination, or other action made or taken by the Committee shall be final, binding, and conclusive on all interested parties. The Committee’s discretion set forth herein shall not be limited by any provision of the Plan, including any provision which by its terms is applicable notwithstanding any other provision of the Plan to the contrary.

The Committee may delegate to officers of the Company, pursuant to a written delegation, the authority to perform specified functions under the Plan. Any actions taken by any officers of the Company pursuant to such written delegation of authority shall be deemed to have been taken by the Committee.

With respect to restrictions in the Plan that are based on the requirements of Rule 16b-3 promulgated under the Exchange Act, Section 422 of the Code, the rules of any exchange or inter-dealer quotation system upon which the Company’s securities are listed or quoted, or any other Applicable Law, to the extent that any such restrictions are no longer required by Applicable Law, the Committee shall have the sole discretion and authority to grant Awards that are not subject to such mandated restrictions and/or to waive any such mandated restrictions with respect to outstanding Awards.

ARTICLE 4. ELIGIBILITY

Any Employee (including an Employee who is also a director or an officer), Contractor or Outside Director of the Company whose judgment, initiative, and efforts contributed or may be expected to contribute to the successful performance of the Company is eligible to participate in the Plan; provided that only Employees of a Corporation shall be eligible to receive Incentive Stock Options. The Committee, upon its own action, may grant, but shall not be required to grant, an Award to any Employee, Contractor or Outside Director. Awards may be granted by the Committee at any time and from time to time to new Participants, or to then Participants, or to a greater or lesser number of Participants, and may include or exclude previous Participants, as the Committee shall determine. Except as required by this Plan, Awards need not contain similar provisions. The Committee's determinations under the Plan (including without limitation determinations of which Employees, Contractors or Outside Directors, if any, are to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the agreements evidencing same) need not be uniform and may be made by it selectively among Participants who receive, or are eligible to receive, Awards under the Plan.

ARTICLE 5. SHARES SUBJECT TO PLAN

5.1 **Number Available for Awards.** Subject to adjustment as provided in Articles 11 and 12, the maximum number of shares of Common Stock that may be delivered pursuant to Awards granted under the Plan is 11,448,253 shares, of which one hundred percent (100%) may be delivered pursuant to Incentive Stock Options. Shares to be issued may be made available from authorized but unissued Common Stock, Common Stock held by the Company in its treasury, or Common Stock purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available the number of shares of Common Stock that shall be sufficient to satisfy the requirements of this Plan.

5.2 **Reuse of Shares.** To the extent that any Award under this Plan shall be forfeited, shall expire or be canceled, in whole or in part, then the number of shares of Common Stock covered by the Award or stock option so forfeited, expired or canceled may again be awarded pursuant to the provisions of this Plan. In the event that previously acquired shares of Common Stock are delivered to the Company in full or partial payment of the exercise price for the exercise of a Stock Option granted under this Plan, the number of shares of Common Stock available for future Awards under this Plan shall be reduced only by the net number of shares of Common Stock issued upon the exercise of the Stock Option. Awards that may be satisfied either by the issuance of shares of Common Stock or by cash or other consideration shall be counted against the maximum number of shares of Common Stock that may be issued under this Plan only during the period that the Award is outstanding or to the extent the Award is ultimately satisfied by the issuance of shares of Common Stock. Awards will not reduce the number of shares of Common Stock that may be issued pursuant to this Plan if the settlement of the Award will not require the issuance of shares of Common Stock, as, for example, a SAR that can be satisfied only by the payment of cash. Notwithstanding any provisions of the Plan to the contrary, only shares forfeited back to the Company, shares canceled on account of termination, expiration or lapse of an Award, shares surrendered in payment of the exercise price of a Stock Option or shares withheld for payment of applicable employment taxes and/or withholding obligations resulting from the exercise of an option shall again be available for grant of Incentive Stock Options under the Plan, but shall not increase the maximum number of shares described in Section 5.1 above as the maximum number of shares of Common Stock that may be delivered pursuant to Incentive Stock Options.

ARTICLE 6.
GRANT OF AWARDS

6.1 In General.

(a) The grant of an Award shall be authorized by the Committee and shall be evidenced by an Award Agreement setting forth the Incentive or Incentives being granted, the total number of shares of Common Stock subject to the Incentive(s), the Option Price (if applicable), the Award Period, the Date of Grant, and such other terms, provisions, limitations, and performance objectives, as are approved by the Committee, but (i) not inconsistent with the Plan, and (ii) to the extent an Award issued under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. The Company shall execute an Award Agreement with a Participant after the Committee approves the issuance of an Award. Any Award granted pursuant to this Plan must be granted within ten (10) years of the date of adoption of this Plan by the Board. The Plan shall be submitted to the Company's stockholders for approval; however, the Committee may grant Awards under the Plan prior to the time of stockholder approval. Any such Award granted prior to such stockholder approval shall be made subject to such stockholder approval. The grant of an Award to a Participant shall not be deemed either to entitle the Participant to, or to disqualify the Participant from, receipt of any other Award under the Plan.

(b) If the Committee establishes a purchase price for an Award, the Participant must accept such Award within a period of thirty (30) days (or such shorter period as the Committee may specify) after the Date of Grant by executing the applicable Award Agreement and paying such purchase price.

(c) Any Award under this Plan that is settled in whole or in part in cash on a deferred basis may provide for interest equivalents to be credited with respect to such cash payment. Interest equivalents may be compounded and shall be paid upon such terms and conditions as may be specified by the grant.

6.2 Option Price. The Option Price for any share of Common Stock which may be purchased under a Nonqualified Stock Option for any share of Common Stock must be equal to or greater than the Fair Market Value of the share on the Date of Grant. The Option Price for any share of Common Stock which may be purchased under an Incentive Stock Option must be at least equal to the Fair Market Value of the share on the Date of Grant; if an Incentive Stock Option is granted to an Employee who owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company (or any parent or Subsidiary), the Option Price shall be at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the Date of Grant.

6.3 Maximum ISO Grants. The Committee may not grant Incentive Stock Options under the Plan to any Employee which would permit the aggregate Fair Market Value (determined on the Date of Grant) of the Common Stock with respect to which Incentive Stock Options (under this and any other plan of the Company and its Subsidiaries) are exercisable for the first time by such Employee during any calendar year to exceed \$100,000. To the extent any Stock Option granted under this Plan which is designated as an Incentive Stock Option exceeds this limit or otherwise fails to qualify as an Incentive Stock Option, such Stock Option (or any such portion thereof) shall be a Nonqualified Stock Option. In such case, the Committee shall designate which stock will be treated as Incentive Stock Option stock by causing the issuance of a separate stock certificate and identifying such stock as Incentive Stock Option stock on the Company's stock transfer records.

6.4 Restricted Stock. If Restricted Stock is granted to or received by a Participant under an Award (including a Stock Option), the Committee shall set forth in the related Award Agreement: (a) the number of shares of Common Stock awarded, (b) the price, if any, to be paid by the Participant for such Restricted Stock and the method of payment of the price, (c) the time or times within which such Award may be subject to forfeiture, (d) specified Performance Goals of the Company, a Subsidiary, any division thereof or any group of Employees of the Company, or other criteria, which the Committee determines must be met in order to remove any restrictions (including vesting) on such Award, and (e) all other terms, limitations, restrictions, and conditions of the Restricted Stock, which shall be consistent with this Plan, to the extent applicable and, to the extent Restricted Stock granted under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. The provisions of Restricted Stock need not be the same with respect to each Participant.

(a) **Legend on Shares.** The Company shall electronically register the Restricted Stock awarded to a Participant in the name of such Participant, which shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, substantially as provided in Section 15.9 of the Plan. No stock certificate or certificates shall be issued with respect to such shares of Common Stock, unless, following the expiration of the Restriction Period (as defined in Section 6.4(b)(i)) without forfeiture in respect of such shares of Common Stock, the Participant requests delivery of the certificate or certificates by submitting a written request to the Committee (or such party designated by the Company) requesting delivery of the certificates. The Company shall deliver the certificates requested by the Participant to the Participant as soon as administratively practicable following the Company's receipt of such request.

(b) **Restrictions and Conditions.** Shares of Restricted Stock shall be subject to the following restrictions and conditions:

(i) Subject to the other provisions of this Plan and the terms of the particular Award Agreements, during such period as may be determined by the Committee commencing on the Date of Grant or the date of exercise of an Award (the “**Restriction Period**”), the Participant shall not be permitted to sell, transfer, pledge or assign shares of Restricted Stock. Except for these limitations, the Committee may in its sole discretion, remove any or all of the restrictions on such Restricted Stock whenever it may determine that, by reason of changes in Applicable Laws or other changes in circumstances arising after the date of the Award, such action is appropriate.

(ii) Except as provided in sub-paragraph (a) above or in the applicable Award Agreement, the Participant shall have, with respect to his or her Restricted Stock, all of the rights of a stockholder of the Company, including the right to vote the shares, and the right to receive any dividends thereon. Certificates for shares of Common Stock free of restriction under this Plan shall be delivered to the Participant promptly after, and only after, the Restriction Period shall expire without forfeiture in respect of such shares of Common Stock or after any other restrictions imposed on such shares of Common Stock by the applicable Award Agreement or other agreement have expired. Certificates for the shares of Common Stock forfeited under the provisions of the Plan and the applicable Award Agreement shall be promptly returned to the Company by the forfeiting Participant. Each Award Agreement shall require that each Participant, in connection with the issuance of a certificate for Restricted Stock, shall endorse such certificate in blank or execute a stock power in form satisfactory to the Company in blank and deliver such certificate and executed stock power to the Company.

(iii) The Restriction Period of Restricted Stock shall commence on the Date of Grant or the date of exercise of an Award, as specified in the Award Agreement, and, subject to Article 12 of the Plan, unless otherwise established by the Committee in the Award Agreement setting forth the terms of the Restricted Stock, shall expire upon satisfaction of the conditions set forth in the Award Agreement; such conditions may provide for vesting based on length of continuous service or such Performance Goals, as may be determined by the Committee in its sole discretion.

(iv) Except as otherwise provided in the particular Award Agreement, upon Termination of Service for any reason during the Restriction Period, the nonvested shares of Restricted Stock shall be forfeited by the Participant. In the event a Participant has paid any consideration to the Company for such forfeited Restricted Stock, the Committee shall specify in the Award Agreement that either (1) the Company shall be obligated to, or (2) the Company may, in its sole discretion, elect to, pay to the Participant, as soon as practicable after the event causing forfeiture, in cash, an amount equal to the lesser of the total consideration paid by the Participant for such forfeited shares or the Fair Market Value of such forfeited shares as of the date of Termination of Service, as the Committee, in its sole discretion shall select. Upon any forfeiture, all rights of a Participant with respect to the forfeited shares of the Restricted Stock shall cease and terminate, without any further obligation on the part of the Company.

6.5 SARs. The Committee may grant SARs to any Participant, either as a separate Award or in connection with a Stock Option. SARs shall be subject to such terms and conditions as the Committee shall impose, provided that such terms and conditions are (a) not inconsistent with the Plan, and (b) to the extent a SAR issued under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. The grant of the SAR may provide that the holder may be paid for the value of the SAR either in cash or in shares of Common Stock, or a combination thereof. In the event of the exercise of a SAR payable in shares of Common Stock, the holder of the SAR shall receive that number of whole shares of Common Stock having an aggregate Fair Market Value on the date of exercise equal to the value obtained by multiplying (a) the difference between the Fair Market Value of a share of Common Stock on the date of exercise over the SAR Price as set forth in such SAR (or other value specified in the agreement granting the SAR), by (b) the number of shares of Common Stock as to which the SAR is exercised, with a cash settlement to be made for any fractional shares of Common Stock. The SAR Price for any share of Common Stock subject to a SAR may be equal to or greater than the Fair Market Value of the share on the Date of Grant. The Committee, in its sole discretion, may place a ceiling on the amount payable upon exercise of a SAR, but any such limitation shall be specified at the time that the SAR is granted.

6.6 Restricted Stock Units. Restricted Stock Units may be awarded or sold to any Participant under such terms and conditions as shall be established by the Committee, provided, however, that such terms and conditions are (a) not inconsistent with the Plan, and (b) to the extent a Restricted Stock Unit issued under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. Restricted Stock Units shall be subject to such restrictions as the Committee determines, including, without limitation, (a) a prohibition against sale, assignment, transfer, pledge, hypothecation or other encumbrance for a specified period; or (b) a requirement that the holder forfeit (or in the case of shares of Common Stock or units sold to the Participant, resell to the Company at cost) such shares or units in the event of Termination of Service during the period of restriction.

6.7 Performance Awards.

(a) The Committee may grant Performance Awards to one or more Participants. The terms and conditions of Performance Awards shall be specified at the time of the grant and may include provisions establishing the performance period, the Performance Goals to be achieved during a performance period, and the maximum or minimum settlement values, provided that such terms and conditions are (i) not inconsistent with the Plan and (ii) to the extent a Performance Award issued under the Plan is subject to Section 409A of the Code, in compliance with the applicable requirements of Section 409A of the Code and the regulations or other guidance issued thereunder. If the Performance Award is to be in shares of Common Stock, the Performance Awards may provide for the issuance of the shares of Common Stock at the time of the grant of the Performance Award or at the time of the certification by the Committee that the Performance Goals for the performance period have been met; provided, however, if shares of Common Stock are issued at the time of the grant of the Performance Award and if, at the end of the performance period, the Performance Goals are not certified by the Committee to have been fully satisfied, then, notwithstanding any other provisions of this Plan to the contrary, the Common Stock shall be forfeited in accordance with the terms of the grant to the extent the Committee determines that the Performance Goals were not met. The forfeiture of shares of Common Stock issued at the time of the grant of the Performance Award due to failure to achieve the established Performance Goals shall be separate from and in addition to any other restrictions provided for in this Plan that may be applicable to such shares of Common Stock. Each Performance Award granted to one or more Participants shall have its own terms and conditions.

If the Committee determines, in its sole discretion, that the established performance measures or objectives are no longer suitable because of a change in the Company's business, operations, corporate structure, or for other reasons that the Committee deemed satisfactory, the Committee may modify the performance measures or objectives and/or the performance period.

(b) Performance Awards may be valued by reference to the Fair Market Value of a share of Common Stock or according to any formula or method deemed appropriate by the Committee, in its sole discretion, including, but not limited to, achievement of Performance Goals or other specific financial, production, sales or cost performance objectives that the Committee believes to be relevant to the Company's business and/or remaining in the employ of the Company or a Subsidiary for a specified period of time. Performance Awards may be paid in cash, shares of Common Stock, or other consideration, or any combination thereof. If payable in shares of Common Stock, the consideration for the issuance of such shares may be the achievement of the performance objective established at the time of the grant of the Performance Award. Performance Awards may be payable in a single payment or in installments and may be payable at a specified date or dates or upon attaining the performance objective. The extent to which any applicable performance objective has been achieved shall be conclusively determined by the Committee.

6.8 Dividend Equivalent Rights. The Committee may grant a Dividend Equivalent Right to any Participant, either as a component of another Award or as a separate Award. The terms and conditions of the Dividend Equivalent Right shall be specified by the grant. Dividend equivalents credited to the holder of a Dividend Equivalent Right may be paid currently or may be deemed to be reinvested in additional shares of Common Stock (which may thereafter accrue additional dividend equivalents). Any such reinvestment shall be at the Fair Market Value at the time thereof. Dividend Equivalent Rights may be settled in cash or shares of Common Stock, or a combination thereof, in a single payment or in installments. A Dividend Equivalent Right granted as a component of another Award may provide that such Dividend Equivalent Right shall be settled upon exercise, settlement, or payment of, or lapse of restrictions on, such other Award, and that such Dividend Equivalent Right granted as a component of another Award may also contain terms and conditions different from such other Award.

6.9 Other Awards. The Committee may grant to any Participant other forms of Awards, based upon, payable in, or otherwise related to, in whole or in part, shares of Common Stock, if the Committee determines that such other form of Award is consistent with the purpose and restrictions of this Plan. The terms and conditions of such other form of Award shall be specified by the grant. Such Other Awards may be granted for no cash consideration, for such minimum consideration as may be required by Applicable Law, or for such other consideration as may be specified by the grant.

6.10 Performance Goals. Awards of Restricted Stock, Restricted Stock Units, Performance Award and Other Awards (whether relating to cash or shares of Common Stock) under the Plan may be made subject to the attainment of Performance Goals relating to one or more business criteria which may consist of one or more or any combination of the following criteria: cash flow; cost; revenues; sales; ratio of debt to debt plus equity; net borrowing, credit quality or debt ratings; profit before tax; economic profit; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; gross margin; earnings per share (whether on a pre-tax, after-tax, operational or other basis); operating earnings; capital expenditures; expenses or expense levels; economic value added; ratio of operating earnings to capital spending or any other operating ratios; free cash flow; net profit; net sales; net asset value per share; the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions; sales growth; price of the Company's Common Stock; return on assets, equity or stockholders' equity; market share; inventory levels, inventory turn or shrinkage; or total return to stockholders ("**Performance Criteria**"). Any Performance Criteria may be used to measure the performance of the Company as a whole or any business unit of the Company and may be measured relative to a peer group or index. Any Performance Criteria may include or exclude (a) events that are of an unusual nature or indicate infrequency of occurrence, (b) gains or losses on the disposition of a business, (c) changes in tax or accounting regulations or laws, (d) the effect of a merger or acquisition, as identified in the Company's quarterly and annual earnings releases, or (e) other similar occurrences. In all other respects, Performance Criteria shall be calculated in accordance with the Company's financial statements, under generally accepted accounting principles, or under a methodology established by the Committee prior to the issuance of an Award which is consistently applied and identified in the audited financial statements, including footnotes, or the Compensation Discussion and Analysis section of the Company's annual report.

6.11 Tandem Awards. The Committee may grant two or more Incentives in one Award in the form of a "tandem Award," so that the right of the Participant to exercise one Incentive shall be canceled if, and to the extent, the other Incentive is exercised. For example, if a Stock Option and a SAR are issued in a tandem Award, and the Participant exercises the SAR with respect to one hundred (100) shares of Common Stock, the right of the Participant to exercise the related Stock Option shall be canceled to the extent of one hundred (100) shares of Common Stock.

6.12 Recoupment for Restatements. Notwithstanding any other language in this Plan to the contrary, the Company may recoup all or any portion of any shares or cash paid to a Participant in connection with an Award, in the event of a restatement of the Company's financial statements as set forth in the Company's clawback policy, if any, approved by the Company's Board from time to time.

ARTICLE 7.
AWARD PERIOD; VESTING

7.1 **Award Period.** Subject to the other provisions of this Plan, the Committee may, in its discretion, provide that an Incentive may not be exercised in whole or in part for any period or periods of time or beyond any date specified in the Award Agreement. Except as provided in the Award Agreement, an Incentive may be exercised in whole or in part at any time during its term. The Award Period for an Incentive shall be reduced or terminated upon Termination of Service. No Incentive granted under the Plan may be exercised at any time after the end of its Award Period. No portion of any Incentive may be exercised after the expiration of ten (10) years from its Date of Grant. However, if an Employee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than ten percent (10%) of the combined voting power of all classes of stock of the Company (or any parent or Subsidiary) and an Incentive Stock Option is granted to such Employee, the term of such Incentive Stock Option (to the extent required by the Code at the time of grant) shall be no more than five (5) years from the Date of Grant.

7.2 **Vesting.** The Committee, in its sole discretion, may determine that an Incentive will be immediately vested in whole or in part, or that all or any portion may not be vested until a date, or dates, subsequent to its Date of Grant, or until the occurrence of one or more specified events, subject in any case to the terms of the Plan. If the Committee imposes conditions upon vesting, then, subsequent to the Date of Grant, the Committee may, in its sole discretion, accelerate the date on which all or any portion of the Incentive may be vested.

ARTICLE 8.
EXERCISE OR CONVERSION OF INCENTIVE

8.1 **In General.** A vested Incentive may be exercised or converted, during its Award Period, subject to limitations and restrictions set forth in the Award Agreement.

8.2 **Securities Law and Exchange Restrictions.** In no event may an Incentive be exercised or shares of Common Stock issued pursuant to an Award if a necessary listing or quotation of the shares of Common Stock on a stock exchange or inter-dealer quotation system or any registration under state or federal securities laws required under the circumstances has not been accomplished.

8.3 **Exercise of Stock Option.**

(a) **In General.** If a Stock Option is exercisable prior to the time it is vested, the Common Stock obtained on the exercise of the Stock Option shall be Restricted Stock which is subject to the applicable provisions of the Plan and the Award Agreement. If the Committee imposes conditions upon exercise, then subsequent to the Date of Grant, the Committee may, in its sole discretion, accelerate the date on which all or any portion of the Stock Option may be exercised. No Stock Option may be exercised for a fractional share of Common Stock. The granting of a Stock Option shall impose no obligation upon the Participant to exercise that Stock Option.

(b) **Notice and Payment.** Subject to such administrative regulations as the Committee may from time to time adopt, a Stock Option may be exercised by the delivery of written notice to the Committee setting forth the number of shares of Common Stock with respect to which the Stock Option is to be exercised (the “**Exercise Notice**”) and the date of exercise thereof (the “**Exercise Date**”) with respect to any Stock Option shall be the date that the Participant has delivered both the Exercise Notice and consideration to the Company with a value equal to the total Option Price of the shares to be purchased (plus any employment tax withholding or other tax payment due with respect to such Award), payable as provided in the Award Agreement, which may provide for payment in any one or more of the following ways: (i) cash or check, bank draft, or money order payable to the order of the Company, (ii) Common Stock (including Restricted Stock) owned by the Participant on the Exercise Date, valued at its Fair Market Value on the Exercise Date, and which the Participant has not acquired from the Company within six (6) months prior to the Exercise Date, (iii) by delivery (including by FAX or electronic transmission) to the Company or its designated agent of an executed irrevocable option exercise form (or, to the extent permitted by the Company, exercise instructions, which may be communicated in writing, telephonically, or electronically) together with irrevocable instructions from the Participant to a broker or dealer, reasonably acceptable to the Company, to sell certain of the shares of Common Stock purchased upon exercise of the Stock Option or to pledge such shares as collateral for a loan and promptly deliver to the Company the amount of sale or loan proceeds necessary to pay such purchase price, (iv) by requesting the Company to withhold the number of shares otherwise deliverable upon exercise of the Stock Option by the number of shares of Common Stock having an aggregate Fair Market Value equal to the aggregate Option Price at the time of exercise (*i.e.*, a cashless net exercise), and/or (v) in any other form of valid consideration that is acceptable to the Committee in its sole discretion. In the event that shares of Restricted Stock are tendered as consideration for the exercise of a Stock Option, a number of shares of Common Stock issued upon the exercise of the Stock Option equal to the number of shares of Restricted Stock used as consideration therefor shall be subject to the same restrictions and provisions as the Restricted Stock so tendered. If the Participant fails to deliver the consideration described in this Section 8.3(b) within three (3) business days of the date of the Exercise Notice, then the Exercise Notice shall be null and void and the Company will have no obligation to deliver any shares of Common Stock to the Participant in connection with such Exercise Notice.

(c) **Issuance of Certificate.** Except as otherwise provided in Section 6.4 hereof (with respect to shares of Restricted Stock) or in the applicable Award Agreement, upon payment of all amounts due from the Participant, the Company shall cause the Common Stock then being purchased to be registered in the Participant’s name (or the person exercising the Participant’s Stock Option in the event of his or her death), but shall not issue certificates for the Common Stock unless the Participant or such other person requests delivery of the certificates for the Common Stock, in writing in accordance with the procedures established by the Committee. The Company shall deliver certificates to the Participant (or the person exercising the Participant’s Stock Option in the event of his or her death) as soon as administratively practicable following the Company’s receipt of a written request from the Participant or such other person for delivery of the certificates. Notwithstanding the forgoing, if the Participant has exercised an Incentive Stock Option, the Company may at its option retain physical possession of the certificate evidencing the shares acquired upon exercise until the expiration of the holding periods described in Section 422(a)(1) of the Code. Any obligation of the Company to deliver shares of Common Stock shall, however, be subject to the condition that, if at any time the Committee shall determine in its discretion that the listing, registration, or qualification of the Stock Option or the Common Stock upon any securities exchange or inter-dealer quotation system or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary as a condition of, or in connection with, the Stock Option or the issuance or purchase of shares of Common Stock thereunder, the Stock Option may not be exercised in whole or in part unless such listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not reasonably acceptable to the Committee.

(d) **Failure to Pay.** Except as may otherwise be provided in an Award Agreement, if the Participant fails to pay for any of the Common Stock specified in such notice or fails to accept delivery thereof, that portion of the Participant's Stock Option and right to purchase such Common Stock may be forfeited by the Participant.

8.4 **SARs.** Subject to the conditions of this Section 8.4 and such administrative regulations as the Committee may from time to time adopt, a SAR may be exercised by the delivery (including by FAX) of written notice to the Committee setting forth the number of shares of Common Stock with respect to which the SAR is to be exercised and the date of exercise thereof (the "**Exercise Date**") which shall be at least three (3) days after giving such notice unless an earlier time shall have been mutually agreed upon. Subject to the terms of the Award Agreement and only if permissible under Section 409A of the Code and the regulations or other guidance issued thereunder (or, if not so permissible, at such time as permitted by Section 409A of the Code and the regulations or other guidance issued thereunder), the Participant shall receive from the Company in exchange therefor in the discretion of the Committee, and subject to the terms of the Award Agreement:

(a) cash in an amount equal to the excess (if any) of the Fair Market Value (as of the Exercise Date, or if provided in the Award Agreement, conversion, of the SAR) per share of Common Stock over the SAR Price per share specified in such SAR, multiplied by the total number of shares of Common Stock of the SAR being surrendered;

(b) that number of shares of Common Stock having an aggregate Fair Market Value (as of the Exercise Date, or if provided in the Award Agreement, conversion, of the SAR) equal to the amount of cash otherwise payable to the Participant, with a cash settlement to be made for any fractional share interests; or

(c) the Company may settle such obligation in part with shares of Common Stock and in part with cash.

The distribution of any cash or Common Stock pursuant to the foregoing sentence shall be made at such time as set forth in the Award Agreement.

8.5 **Disqualifying Disposition of Incentive Stock Option.** If shares of Common Stock acquired upon exercise of an Incentive Stock Option are disposed of by a Participant prior to the expiration of either two (2) years from the Date of Grant of such Stock Option or one (1) year from the transfer of shares of Common Stock to the Participant pursuant to the exercise of such Stock Option, or in any other disqualifying disposition within the meaning of Section 422 of the Code, such Participant shall notify the Company in writing of the date and terms of such disposition. A disqualifying disposition by a Participant shall not affect the status of any other Stock Option granted under the Plan as an Incentive Stock Option within the meaning of Section 422 of the Code.

ARTICLE 9. AMENDMENT OR DISCONTINUANCE

Subject to the limitations set forth in this Article 9, the Board may at any time and from time to time, without the consent of the Participants, alter, amend, revise, suspend, or discontinue the Plan in whole or in part; provided, however, that no amendment for which stockholder approval is required either (a) by any securities exchange or inter-dealer quotation system on which the Common Stock is listed or traded or (b) in order for the Plan and Incentives awarded under the Plan to continue to comply with Sections 421 and 422 of the Code, including any successors to such Sections, or other Applicable Law, shall be effective unless such amendment shall be approved by the requisite vote of the stockholders of the Company entitled to vote thereon. Any such amendment shall, to the extent deemed necessary or advisable by the Committee, be applicable to any outstanding Incentives theretofore granted under the Plan, notwithstanding any contrary provisions contained in any Award Agreement. In the event of any such amendment to the Plan, the holder of any Incentive outstanding under the Plan shall, upon request of the Committee and as a condition to the exercisability thereof, execute a conforming amendment in the form prescribed by the Committee to any Award Agreement relating thereto. Notwithstanding anything contained in this Plan to the contrary, unless required by law, no action contemplated or permitted by this Article 9 shall adversely affect any rights of Participants or obligations of the Company to Participants with respect to any Incentive theretofore granted under the Plan without the consent of the affected Participant.

ARTICLE 10.
TERM

The Plan shall be effective from the date that this Plan is adopted by the Board. Unless sooner terminated by action of the Board, the Plan will terminate on the tenth anniversary of the Effective Date, but Incentives granted before that date will continue to be effective in accordance with their terms and conditions.

ARTICLE 11.
CAPITAL ADJUSTMENTS

In the event that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, rights offering, reorganization, merger, consolidation, split-up, spin-off, split-off, combination, subdivision, repurchase, or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event affects the fair value of an Award, then the Committee shall adjust any or all of the following so that the fair value of the Award immediately after the transaction or event is equal to the fair value of the Award immediately prior to the transaction or event (a) the number of shares and type of Common Stock (or the securities or property) which thereafter may be made the subject of Awards, (b) the number of shares and type of Common Stock (or other securities or property) subject to outstanding Awards, (c) the number of shares and type of Common Stock (or other securities or property) specified as the annual per-participant limitation under Section 5.1 of the Plan, (d) the Option Price of each outstanding Award, (e) the amount, if any, the Company pays for forfeited shares of Common Stock in accordance with Section 6.4, and (f) the number of or SAR Price of shares of Common Stock then subject to outstanding SARs previously granted and unexercised under the Plan, to the end that the same proportion of the Company's issued and outstanding shares of Common Stock in each instance shall remain subject to exercise at the same aggregate SAR Price; provided, however, that the number of shares of Common Stock (or other securities or property) subject to any Award shall always be a whole number. Notwithstanding the foregoing, no such adjustment shall be made or authorized to the extent that such adjustment would cause the Plan or any Stock Option to violate Section 422 of the Code or Section 409A of the Code. Such adjustments shall be made in accordance with the rules of any securities exchange, stock market, or stock quotation system to which the Company is subject.

Upon the occurrence of any such adjustment, the Company shall provide notice to each affected Participant of its computation of such adjustment which shall be conclusive and shall be binding upon each such Participant.

ARTICLE 12.
RECAPITALIZATION, MERGER AND CONSOLIDATION

12.1 No Effect on Company's Authority. The existence of this Plan and Incentives granted hereunder shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations, or other changes in the Company's capital structure and its business, or any Change in Control, or any merger or consolidation of the Company, or any issuance of bonds, debentures, preferred or preference stocks ranking prior to or otherwise affecting the Common Stock or the rights thereof (or any rights, options, or warrants to purchase same), or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

12.2 Conversion of Incentives Where Company Survives. Subject to any required action by the stockholders and except as otherwise provided by Section 12.4 hereof or as may be required to comply with Section 409A of the Code and the regulations or other guidance issued thereunder, if the Company shall be the surviving or resulting corporation in any merger, consolidation or share exchange, any Incentive granted hereunder shall pertain to and apply to the securities or rights (including cash, property, or assets) to which a holder of the number of shares of Common Stock subject to the Incentive would have been entitled.

12.3 Exchange or Cancellation of Incentives Where Company Does Not Survive. Except as otherwise provided by Section 12.4 hereof or as may be required to comply with Section 409A of the Code and the regulations or other guidance issued thereunder, in the event of any merger, consolidation or share exchange pursuant to which the Company is not the surviving or resulting corporation, there shall be substituted for each share of Common Stock subject to the unexercised portions of outstanding Incentives, that number of shares of each class of stock or other securities or that amount of cash, property, or assets of the surviving, resulting or consolidated company which were distributed or distributable to the stockholders of the Company in respect to each share of Common Stock held by them, such outstanding Incentives to be thereafter exercisable for such stock, securities, cash, or property in accordance with their terms.

12.4 Cancellation of Incentives. Notwithstanding the provisions of Sections 12.2 and 12.3 hereof, and except as may be required to comply with Section 409A of the Code and the regulations or other guidance issued thereunder, all Incentives granted hereunder may be canceled by the Company, in its sole discretion, as of the effective date of any Change in Control, merger, consolidation or share exchange, or any issuance of bonds, debentures, preferred or preference stocks ranking prior to or otherwise affecting the Common Stock or the rights thereof (or any rights, options, or warrants to purchase same), or of any proposed sale of all or substantially all of the assets of the Company, or of any dissolution or liquidation of the Company, by either:

(a) giving notice to each holder thereof or his personal representative of its intention to cancel those Incentives for which the issuance of shares of Common Stock involved payment by the Participant for such shares, and permitting the purchase during the thirty (30) day period next preceding such effective date of any or all of the shares of Common Stock subject to such outstanding Incentives, including in the Board's discretion some or all of the shares as to which such Incentives would not otherwise be vested and exercisable; or

(b) in the case of Incentives that are either (i) settled only in shares of Common Stock, or (ii) at the election of the Participant, settled in shares of Common Stock, paying the holder thereof an amount equal to a reasonable estimate of the difference between the net amount per share payable in such transaction or as a result of such transaction, and the price per share of such Incentive to be paid by the Participant (hereinafter the “*Spread*”), multiplied by the number of shares subject to the Incentive. In cases where the shares constitute, or would after exercise, constitute Restricted Stock, the Company, in its discretion, may include some or all of those shares in the calculation of the amount payable hereunder. In estimating the Spread, appropriate adjustments to give effect to the existence of the Incentives shall be made, such as deeming the Incentives to have been exercised, with the Company receiving the exercise price payable thereunder, and treating the shares receivable upon exercise of the Incentives as being outstanding in determining the net amount per share. In cases where the proposed transaction consists of the acquisition of assets of the Company, the net amount per share shall be calculated on the basis of the net amount receivable with respect to shares of Common Stock upon a distribution and liquidation by the Company after giving effect to expenses and charges, including but not limited to taxes, payable by the Company before such liquidation could be completed.

An Award that by its terms would be fully vested or exercisable upon a Change in Control will be considered vested or exercisable for purposes of Section 12.4(a) hereof.

ARTICLE 13. LIQUIDATION OR DISSOLUTION

Subject to Section 12.4 hereof, in case the Company shall, at any time while any Incentive under this Plan shall be in force and remain unexpired, (a) sell all or substantially all of its property, or (b) dissolve, liquidate, or wind up its affairs, then each Participant shall be entitled to receive, in lieu of each share of Common Stock of the Company which such Participant would have been entitled to receive under the Incentive, the same kind and amount of any securities or assets as may be issuable, distributable, or payable upon any such sale, dissolution, liquidation, or winding up with respect to each share of Common Stock of the Company. If the Company shall, at any time prior to the expiration of any Incentive, make any partial distribution of its assets, in the nature of a partial liquidation, whether payable in cash or in kind (but excluding the distribution of a cash dividend payable out of earned surplus and designated as such) and an adjustment is determined by the Committee to be appropriate to prevent the dilution of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, make such adjustment in accordance with the provisions of Article 11 hereof.

ARTICLE 14. INCENTIVES IN SUBSTITUTION FOR INCENTIVES GRANTED BY OTHER ENTITIES

Incentives may be granted under the Plan from time to time in substitution for similar instruments held by employees, independent contractors or directors of a corporation, partnership, or limited liability company who become or are about to become Employees, Contractors or Outside Directors of the Company or any Subsidiary as a result of a merger or consolidation of the employing corporation with the Company, the acquisition by the Company of equity of the employing entity, or any other similar transaction pursuant to which the Company becomes the successor employer. The terms and conditions of the substitute Incentives so granted may vary from the terms and conditions set forth in this Plan to such extent as the Committee at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the incentives in substitution for which they are granted.

ARTICLE 15.
MISCELLANEOUS PROVISIONS

15.1 Investment Intent. The Company may require that there be presented to and filed with it by any Participant under the Plan, such evidence as it may deem necessary to establish that the Incentives granted or the shares of Common Stock to be purchased or transferred are being acquired for investment and not with a view to their distribution.

15.2 No Right to Continued Employment. Neither the Plan nor any Incentive granted under the Plan shall confer upon any Participant any right with respect to continuance of employment by the Company or any Subsidiary.

15.3 Indemnification of Board and Committee. No member of the Board or the Committee, nor any officer or Employee of the Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Board and the Committee, each officer of the Company, and each Employee of the Company acting on behalf of the Board or the Committee shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination, or interpretation to the fullest extent provided by law. Except to the extent required by any unwaivable requirement under applicable law, no member of the Board or the Committee (and no Subsidiary of the Company) shall have any duties or liabilities, including without limitation any fiduciary duties, to any Participant (or any Person claiming by and through any Participant) as a result of this Plan, any Award Agreement or any Claim arising hereunder and, to the fullest extent permitted under applicable law, each Participant (as consideration for receiving and accepting an Award Agreement) irrevocably waives and releases any right or opportunity such Participant might have to assert (or participate or cooperate in) any Claim against any member of the Board or the Committee and any Subsidiary of the Company arising out of this Plan.

15.4 Effect of the Plan. Neither the adoption of this Plan nor any action of the Board or the Committee shall be deemed to give any person any right to be granted an Award or any other rights except as may be evidenced by an Award Agreement, or any amendment thereto, duly authorized by the Committee and executed on behalf of the Company, and then only to the extent and upon the terms and conditions expressly set forth therein.

15.5 Compliance with Other Laws and Regulations. Notwithstanding anything contained herein to the contrary, the Company shall not be required to sell or issue shares of Common Stock under any Incentive if the issuance thereof would constitute a violation by the Participant or the Company of any provisions of any law or regulation of any governmental authority or any national securities exchange or inter-dealer quotation system or other forum in which shares of Common Stock are quoted or traded (including without limitation Section 16 of the Exchange Act); and, as a condition of any sale or issuance of shares of Common Stock under an Incentive, the Committee may require such agreements or undertakings, if any, as the Committee may deem necessary or advisable to assure compliance with any such law or regulation. The Plan, the grant and exercise of Incentives hereunder, and the obligation of the Company to sell and deliver shares of Common Stock, shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any government or regulatory agency as may be required.

15.6 Tax Requirements. The Company or, if applicable, any Subsidiary (for purposes of this Section 15.6, the term “*Company*” shall be deemed to include any applicable Subsidiary), shall have the right to deduct from all amounts paid in cash or other form in connection with the Plan, any federal, state, local, or other taxes required by law to be withheld in connection with an Award granted under this Plan. The Company may, in its sole discretion, also require the Participant receiving shares of Common Stock issued under the Plan to pay the Company the amount of any taxes that the Company is required to withhold in connection with the Participant’s income arising with respect to the Award. Such payments shall be required to be made when requested by the Company and may be required to be made prior to the delivery of any certificate representing shares of Common Stock. Such payment may be made by (a) the delivery of cash to the Company in an amount that equals or exceeds (to avoid the issuance of fractional shares under (c) below) the required tax withholding obligations of the Company; (b) if the Company, in its sole discretion, so consents in writing, the actual delivery by the exercising Participant to the Company of shares of Common Stock that the Participant has not acquired from the Company within six (6) months prior to the date of exercise, which shares so delivered have an aggregate Fair Market Value that equals or exceeds (to avoid the issuance of fractional shares under (c) below) the required tax withholding payment; (c) if the Company, in its sole discretion, so consents in writing, the Company’s withholding of a number of shares to be delivered upon the exercise of the Stock Option, which shares so withheld have an aggregate fair market value that equals (but does not exceed) the required tax withholding payment; or (d) any combination of (a), (b), or (c). The Company may, in its sole discretion, withhold any such taxes from any other cash remuneration otherwise paid by the Company to the Participant. The Committee may in the Award Agreement impose any additional tax requirements or provisions that the Committee deems necessary or desirable.

15.7 Assignability. Incentive Stock Options may not be transferred, assigned, pledged, hypothecated or otherwise conveyed or encumbered other than by will or the laws of descent and distribution and may be exercised during the lifetime of the Participant only by the Participant or the Participant’s legally authorized representative, and each Award Agreement in respect of an Incentive Stock Option shall so provide. The designation by a Participant of a beneficiary will not constitute a transfer of the Stock Option. The Committee may waive or modify any limitation contained in the preceding sentences of this Section 15.7 that is not required for compliance with Section 422 of the Code.

Except as otherwise provided herein, Awards may not be transferred, assigned, pledged, hypothecated or otherwise conveyed or encumbered other than by will or the laws of descent and distribution. Notwithstanding the foregoing, the Committee may, in its discretion, authorize all or a portion of a Nonqualified Stock Option or SAR to be granted to a Participant on terms which permit transfer by such Participant to (a) the spouse (or former spouse), children or grandchildren of the Participant (“*Immediate Family Members*”), (b) a trust or trusts for the exclusive benefit of such Immediate Family Members, (c) a partnership in which the only partners are (1) such Immediate Family Members and/or (2) entities which are controlled by the Participant and/or Immediate Family Members, (d) an entity exempt from federal income tax pursuant to Section 501(c)(3) of the Code or any successor provision, or (e) a split interest trust or pooled income fund described in Section 2522(c)(2) of the Code or any successor provision, provided that (x) there shall be no consideration for any such transfer, (y) the Award Agreement pursuant to which such Nonqualified Stock Option or SAR is granted must be approved by the Committee and must expressly provide for transferability in a manner consistent with this Section, and (z) subsequent transfers of transferred Nonqualified Stock Options or SARs shall be prohibited except those by will or the laws of descent and distribution.

Following any transfer, any such Nonqualified Stock Option and SAR shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, provided that for purposes of Articles 8, 9, 11, 13 and 15 hereof the term “*Participant*” shall be deemed to include the transferee. The events of Termination of Service shall continue to be applied with respect to the original Participant, following which the Nonqualified Stock Options and SARs shall be exercisable or convertible by the transferee only to the extent and for the periods specified in the Award Agreement. The Committee and the Company shall have no obligation to inform any transferee of a Nonqualified Stock Option or SAR of any expiration, termination, lapse or acceleration of such Stock Option or SAR. The Company shall have no obligation to register with any federal or state securities commission or agency any Common Stock issuable or issued under a Nonqualified Stock Option or SAR that has been transferred by a Participant under this Section 15.7.

15.8 **Use of Proceeds.** Proceeds from the sale of shares of Common Stock pursuant to Incentives granted under this Plan shall constitute general funds of the Company.

15.9 **Legend.** Each certificate representing shares of Restricted Stock issued to a Participant shall bear the following legend, or a similar legend deemed by the Company to constitute an appropriate notice of the provisions hereof (any such certificate not having such legend shall be surrendered upon demand by the Company and so endorsed):

On the face of the certificate:

“Transfer of this stock is restricted in accordance with conditions printed on the reverse of this certificate.”

On the reverse:

“The shares of stock evidenced by this certificate are subject to and transferable only in accordance with that certain AYRO, Inc. Long-Term Incentive Plan, a copy of which is on file at the principal office of the Company in Round Rock, Texas. No transfer or pledge of the shares evidenced hereby may be made except in accordance with and subject to the provisions of said Plan. By acceptance of this certificate, any holder, transferee or pledgee hereof agrees to be bound by all of the provisions of said Plan.”

The following legend shall be inserted on a certificate evidencing Common Stock issued under the Plan if the shares were not issued in a transaction registered under the applicable federal and state securities laws:

“Shares of stock represented by this certificate have been acquired by the holder for investment and not for resale, transfer or distribution, have been issued pursuant to exemptions from the registration requirements of applicable state and federal securities laws, and may not be offered for sale, sold or transferred other than pursuant to effective registration under such laws, or in transactions otherwise in compliance with such laws, and upon evidence satisfactory to the Company of compliance with such laws, as to which the Company may rely upon an opinion of counsel satisfactory to the Company.”

15.10 **Governing Law.** The Plan shall be governed by, construed, and enforced in accordance with the laws of the State of Delaware (excluding any conflict of laws, rule or principle of Delaware law that might refer the governance, construction, or interpretation of this Plan to the laws of another state). A Participant’s sole remedy for any Claim shall be against the Company, and no Participant shall have any claim or right of any nature against any Subsidiary of the Company or any stockholder or existing or former director, officer or Employee of the Company or any Subsidiary of the Company. The individuals and entities described above in this Section 15.10 (other than the Company) shall be third-party beneficiaries of this Plan for purposes of enforcing the terms of this Section 15.10.

A copy of this Plan shall be kept on file in the principal office of the Company in Round Rock, Texas.

IN WITNESS WHEREOF, the Company has caused this instrument to be executed as of May 28, 2020, by its Chief Executive Officer pursuant to prior action taken by the Board.
